The classroom becomes a setting for an adventure in language. Dolls in Spanish costumes, pinates hanging from overhead lights, and large Spanish posters all contribute to the general atmosphere.

This setting is accompanied by a teacher-full of enthusiasm about the subject she teaches and full of devotion to her students. Her patience and understanding are evident as she endeavors to teach a new language without confusing her students.

As sponsor of El Sol she dedicates her time to create a better understanding, not only of the Spanish language, but also of the people who speak it. Her efforts have made El Sol a large and prosperous organization serving Latin American countries, Kimball as a school, each individual of the student body.

In appreciation we dedicate our 1968 *Excalibur* to . . .

Administration and Faculty

A teacher affects eternity; he can never tell where his influence stops.

HENRY BROOKS ADAMS

DR. W. T. WHITE
Superintendent of Schools

Dr. W. T. White, a graduate of the University of Texas with B.A. and M.A. degrees and Phi Beta Kappa key, is the recipient of LLD degrees from Baylor and Texas Christian Universities.

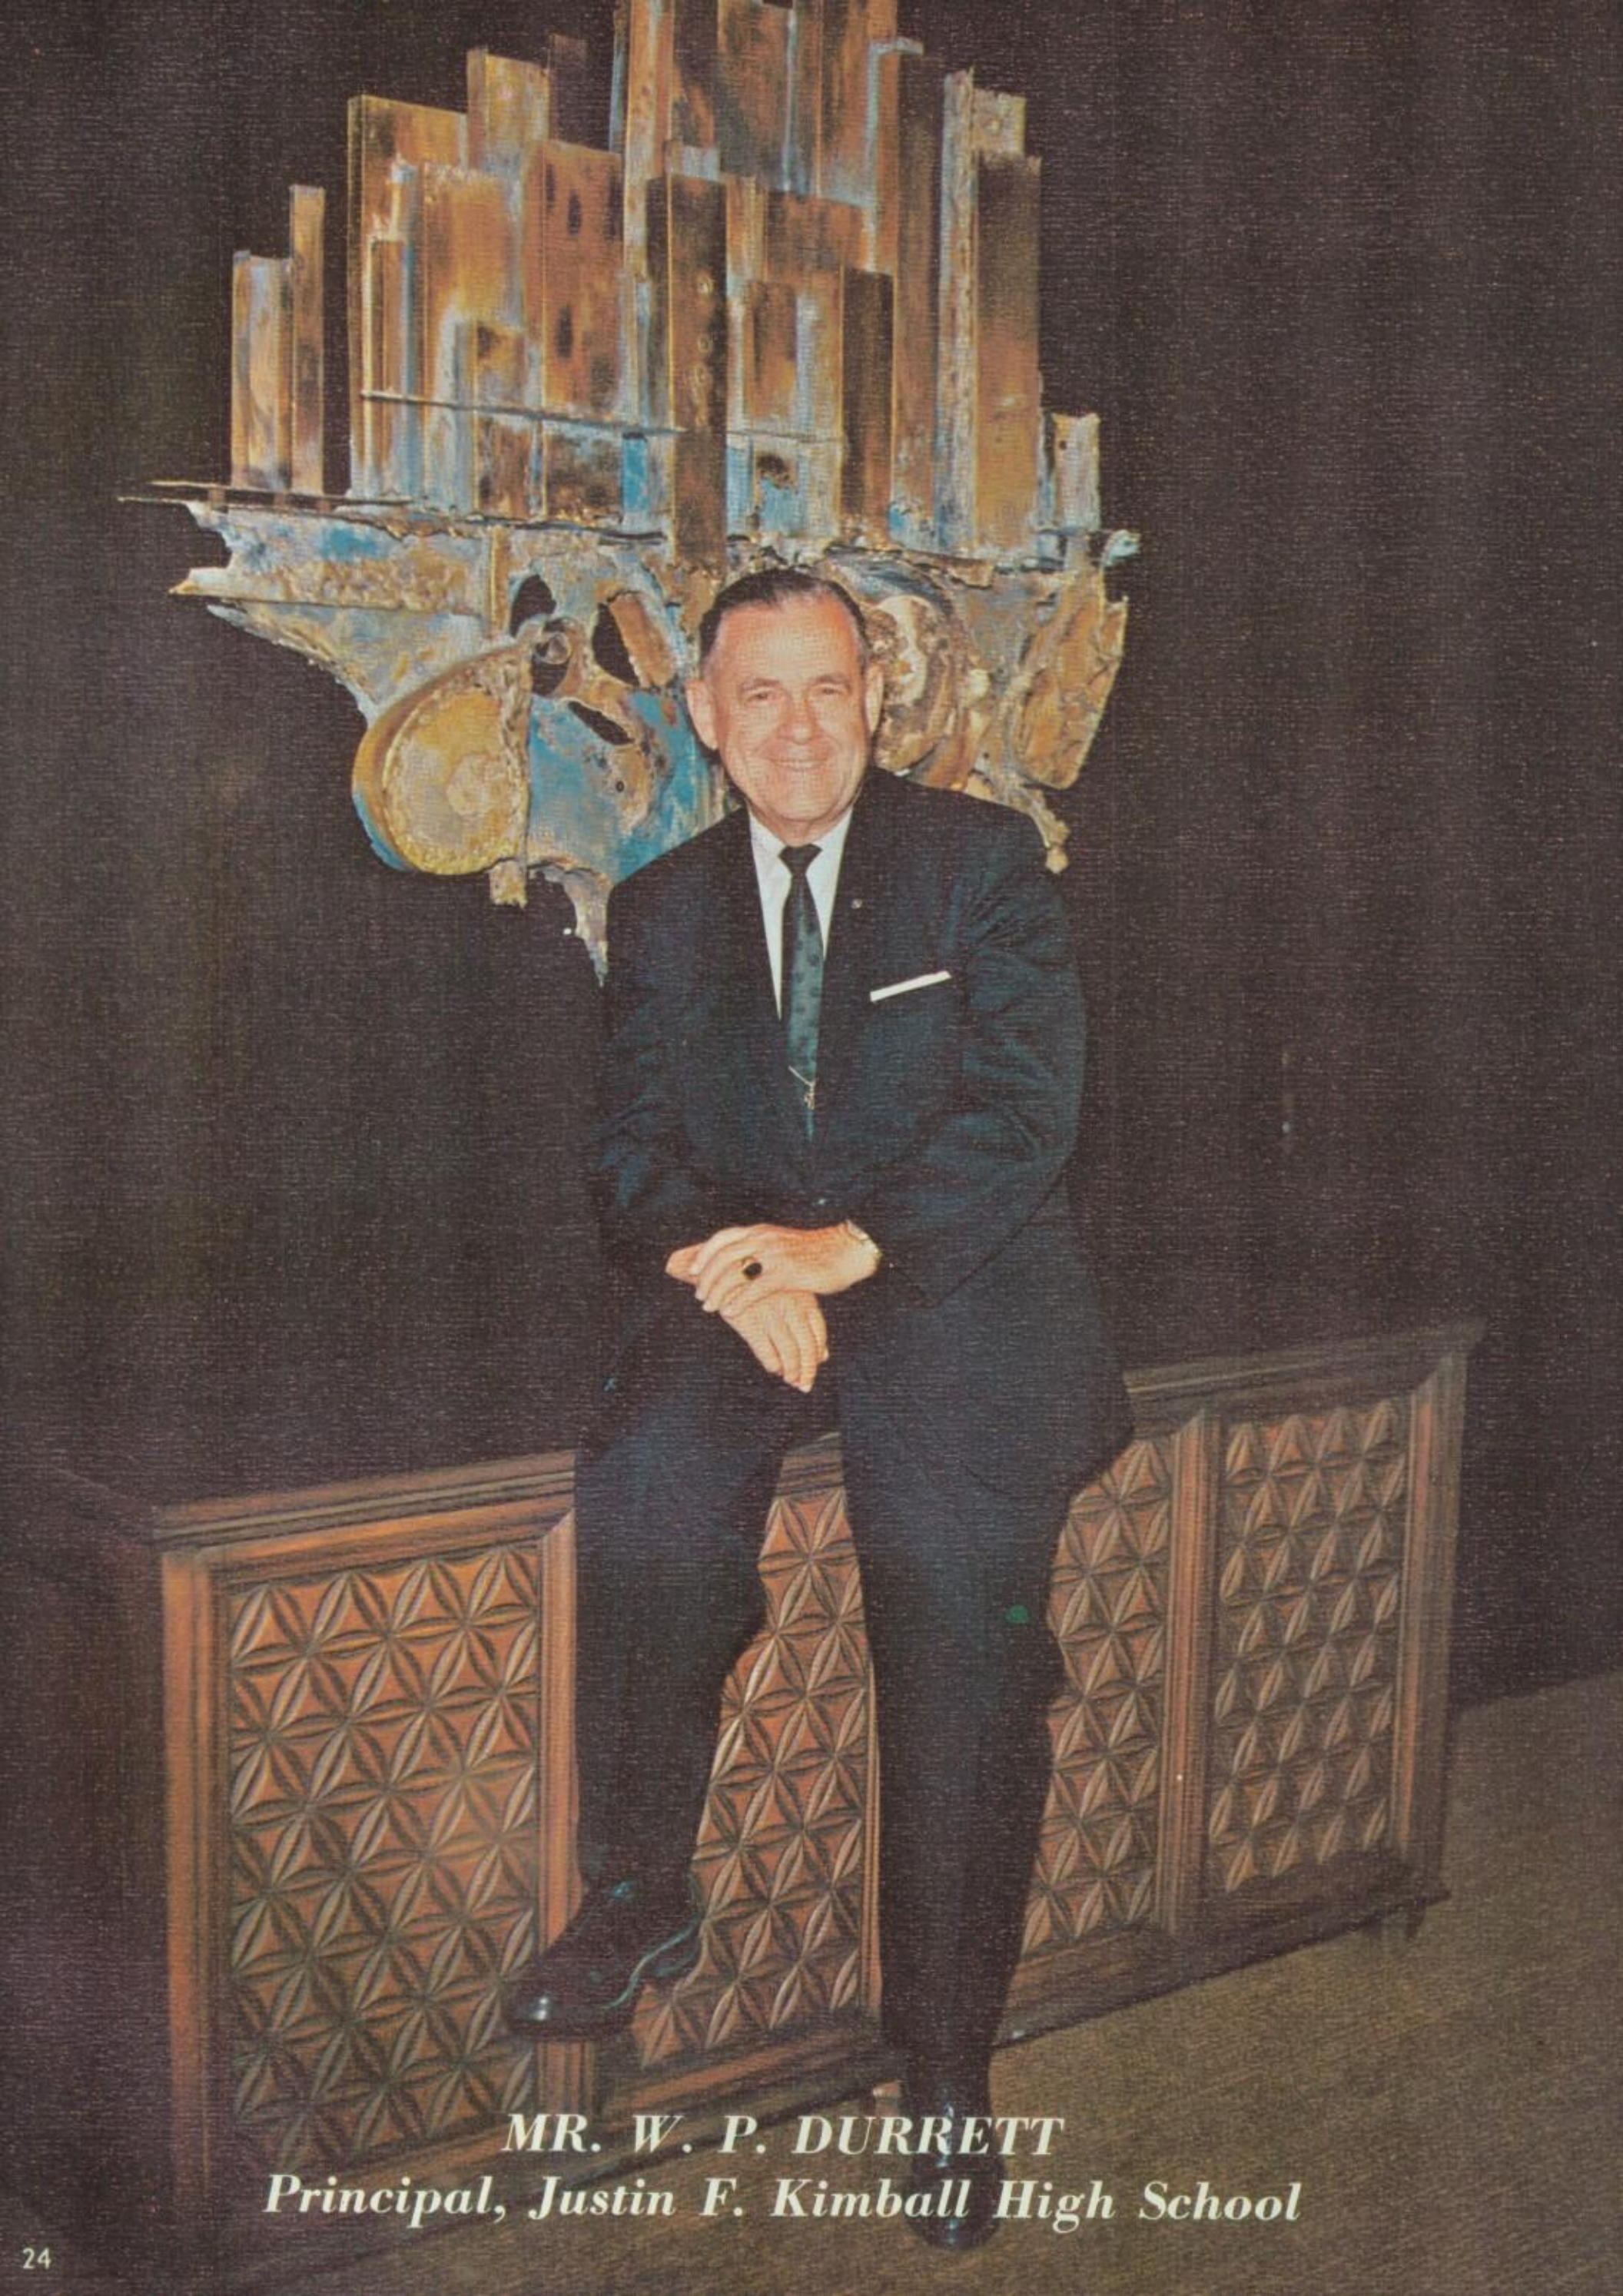
Having been principal in Wichita Falls and superintendent of two school systems, including Bonham, he came to Dallas as Principal of Sunset High School. After serving as Assistant Superintendent, he became Superintendent, of Dallas Schools in 1945. In 1950 he was elected as President of both the American and Texas Associations of School Administrators.

SUPERINTENDENT OF SCHOOLS AND ASSISTANT SUPERINTENDENTS, *Left to Right;* Mr. Dale Douglas, Deputy Superintendent; Mr. C. C. Miller, Asst. Supt. in Charge of Organization; Mr. Hollis Allen, Asst. Supt. in Charge of Administration; Mr. Don E. Matthews, Asst. Supt. in Charge of Special Services; Mr. R. H. McKay, Asst. Supt. in Charge of Operations; Mr. H. D. Pearson, Asst. Supt. in Charge of Business; Dr. E. D. Walker, Asst. Supt. in Charge of Personnel; Dr. W. T. White, Superintendent; Dr. Frank L. Williams, Asst. Supt. in Charge of Instruction.

ADMINISTRATION Insures Progress for Dallas Schools

Dr. W. T. White and his administrative staff of specialists in instruction and supervision have provided Dallas students with a wide selection of required and advanced courses taught by the best qualified teachers. In the past years, the school administration has fostered building programs which have added one hundred new buildings, ninety-one additions to existing buildings, and the installation of new equipment. In the January bond election of 1967, voters approved the use of sixty-five million dollars for advancements in schools. New ideas and programs to meet the needs of a progressive school district are also promoted by the school board.

BOARD OF EDUCATION IN SESSION, *Left to Right;* Jerry D. Wheat; John Plath Green; J. Willard Gragg; Emmett J. Conrad, M. D.; Lee A. McShan, Jr., President; Dr. W. T. White, Superintendent; Percy E. Luecke, Jr., M. D., Vice-President; James E. Joy; Mrs. Henri L. Bromberg, Jr.; Marvin H. Berkeley.



MR. W. P. DURRETT
Principal, Justin F. Kimball High School

Mr. Durrett's telephone conversations are a vital part to his work as Principal.

Mr. Durrett, born in Missouri, was raised in a small town. When he was young, studying law was an ambition of his, but due to unavoidable reasons he was unable to fulfill his desire. This did not stop him; he went to Iowa State University where he received a Master of Arts degree and had the honor of being elected the President of the Student Body.

Coaching at the Oak Cliff High School, now named Adamson, was the beginning of Mr. Durrett's career in the Dallas Independent School District. Later, he became Principal of Margaret B. Henderson Elementary School and then Boude Storey Junior High School. Mr. Durrett was appointed Principal of Kimball High School when it opened in 1958.

Mr. Durrett has the opinion that education is for everyone. "Education gives a person an ambition, a motivation, and a challenge." He feels people should learn as much as they possibly can; then, "use it to their best ability."

MR. J. W. SHELTON, Assistant Principal

New to Kimball this year is our assistant principal Mr. Shelton. Before coming to Kimball, Mr. Shelton coached eleven years. He has been with the Dallas Independent School District seven years during which he coached at Hillcrest High School. Mr. Shelton holds B.S. and M.S. degrees from North Texas State University. The enthusiasm which Mr. Shelton displays as assistant principal is as great as the spirit he has brought to Kimball.

COUNSELOR'S STAFF Increases to Six

If a problem in classes should arise, the counselors are always there to help as an experienced friend. Mrs. Ott, new to Kimball this year, is always ready to assist confused sophomores as they get adjusted. Miss Mullins, our new counselor also, along with Miss Carrell and Mrs. Morgan help the juniors and seniors decide which courses should be taken to prepare them for college. Mrs. Wiler and Mrs. Pierce, our clerks, help register students for college entrance exams and the National Merit Scholarship test.

In order to keep as large a school as Kimball moving steadily, it must be equipped with an excellent office staff.

The necessity for records of attendance are handled by Mrs. Mary Hintze, Mrs. Margaret Smith, Mrs. Sue Emerson, and Mrs. Dorothy Meek.

Mrs. Martha Stewart and Mrs. Bonnie Green serve as secretaries. They are in charge of handling the financial business of the school. The I.B.M. operator, Mrs. Billie Moomaw, fulfills the important job of printing report cards and dealing with daily attendance.

Helping to keep health standards high are the nurse, Miss Ethel Goodnight, and her assistant, Mrs. La Verne Bolen. Miss Lona Spruiell works at the day to day routines which never seem to come to an end.

One of the most important curricula at Kimball is English. It teaches students the correct and accepted use of grammar, while at the same time introduces them to the literary world. English prepares students for a college education and their later life.

Teachers must have an interest in the school as well as the subject they teach. For example, Mrs. Cox grew up next door to the Sprague family for whom our football field was named. Her father was a friend of J. F. Kimball and Mrs. Cox received a telegram of congratulations from J. F. Kimball when she graduated from high school.

Kimball has many teachers devoted to the education of young people. Mrs. Zapffe, projectionist director, has taught school for twenty-four years, nine of which were at Kimball. Mrs. Burney has been teaching thirty-six years, ten of which were at Kimball.

One can always spot a new teacher. Find someone who can not find their classroom, is tardy to class, and leaves their gradebook in the lounge ... and you have found a new teacher.

Two of Kimball's six new English teachers are teaching another subject besides English. Miss Ragsdale, who studied in Europe during the summer of 1966, also teaches Home and Family Living. Mrs. Pollard teaches Journalism and is sponsor of the *Knight Life* Staff and Quill and Scroll. Mrs. Harral, another new teacher, also majored in speech and drama. She also enjoys teaching swimming.

Anthony Burden, Terry Harlow, Laura Liljestrand, Lera Pylant, and Tommy Thompson are the teachers fresh to Kimball. Besides teaching biology, Mr. Burden sponsors the Junior Class Play. Mrs. Pylant is one of the sponsors of the Science Club. Mr. Thompson has an interest in hunting and billiards besides biology.

Teachers returning to Kimball are Paul Loftin, Gerald Humphreys, Margaret Milke, and Eleanor Otto. With Mrs. Milke's regular chemistry classes, she teaches the honors classes of chemistry. Sponsors of the science club include Mr. Loftin and Mr. Humphreys.

Kimball's Science Department is one of the largest and most complete in Dallas and due to the excellent instructors, one of the most exciting.

Many Kimball students are receiving college credit this year for a new course they are taking in Advanced American History. This course adds to the excellent opportunities provided by the Social Studies Department. Active participation in the social studies field is supplied by the Current Events Club, sponsored by Miss Beverly Bowers and Mr. Hansel Martin.

New teachers are not unique in any department of Kimball's faculty. However, few departments have former Kimballites among the faculty members. Such is the case with Mr. Hansel Martin, a graduate of Kimball in the first graduating class, 1960. He now contributes to Kimball by coaching tennis. Also on the list of new social studies teachers are Mr. Richard Hill, Mr. Robert Baker, Mr. James Rust, swimming and football coach, and Mr. Lewis Orr, Basketball coach.

Several other members of the social studies faculty also render their services in other ways. This list includes Mrs. Margaret Breedlove, sponsor of the Junior play; Mr. Richard Burton, sponsor of the *Excalibur;* Mr. Bob Campbell, cheerleader sponsor; Mr. Charlie Fields, football coach; Mr. Herbert Harlan, football coach; and Mr. Milton South, track and football coach.

SOCIAL STUDIES DEPARTMENT Introduces Special Units in Responsible Citizenship

Faculty members in the Social Studies department realize the importance of a careful study of government and economics as well as history. All of these elements are necessary in building better citizens for the future. In addition to regular studies, for the first time at Kimball all history classes are participating in special units designed for creating responsible citizens. These units emphasize the importance of obeying laws and discuss the procedures for changing faulty laws.

German, Latin

Foreign language has been traditionally recognized for its greatness at Kimball. The superior teachers have left many graduating students with a greater knowledge of peoples throughout the world.

Spanish, the most commonly taken language at Kimball, is taught by three fine teachers; Mrs. Darylee Plexco, Mrs. Aurora Moreno, and Mrs. Jennilyn Thames. In this her first year, Mrs. Plexco has made a fine contribution in sponsoring the El Sol chapter of the Pan American club. Mrs. Moreno is in her seventh year at Kimball, yet her total years of teaching are said to be a "deep, dark secret." She also started the television Spanish program for elementary schools in Dallas. Mrs. Thames has now been at Kimball for two years and is serving as sponsor of the Spanish National Honor Society.

Mrs. Jana Greenway and Mrs. Ruth Hoeffler head up the field of Latin. Mrs. Greenway sponsors the Junior Classical League and is also a teacher of Junior English. Other than Latin, Mrs. Hoeffler has many classes of German, and is in charge of Allerei. She is noted also for sponsoring the National Honor Society.

The understanding of the language of French is given students by Mrs. Ivy Blair and Mrs. Cheryl Galbraith. Their participation has helped build A Jamias, the French Club. Mrs. Galbraith devotes another portion of her time to the Y-Teens.

Behind the various courses offered by the Math Department are the teachers—teachers such as Bobby Spray who sponsors "Number Sense", and Jerry Christian who sponsors the Slide Rule Club. Yet, the Math Department houses an array of teachers with not only a dedication to Math, but holding other interests. Charles Fox served in the Air Force as a combat flier during World War II. Evie Jones has directed tours, and Jerry Christian's love for music gained him a college scholarship in that subject. Virginia Fite can be found in a very unmath-like sponsorship—that of the Student Council. Leading students into her profession is Loverne Covert, sponsor of Future Teachers of America. The Math teachers of Kimball have proved that Math has unlimited horizons.

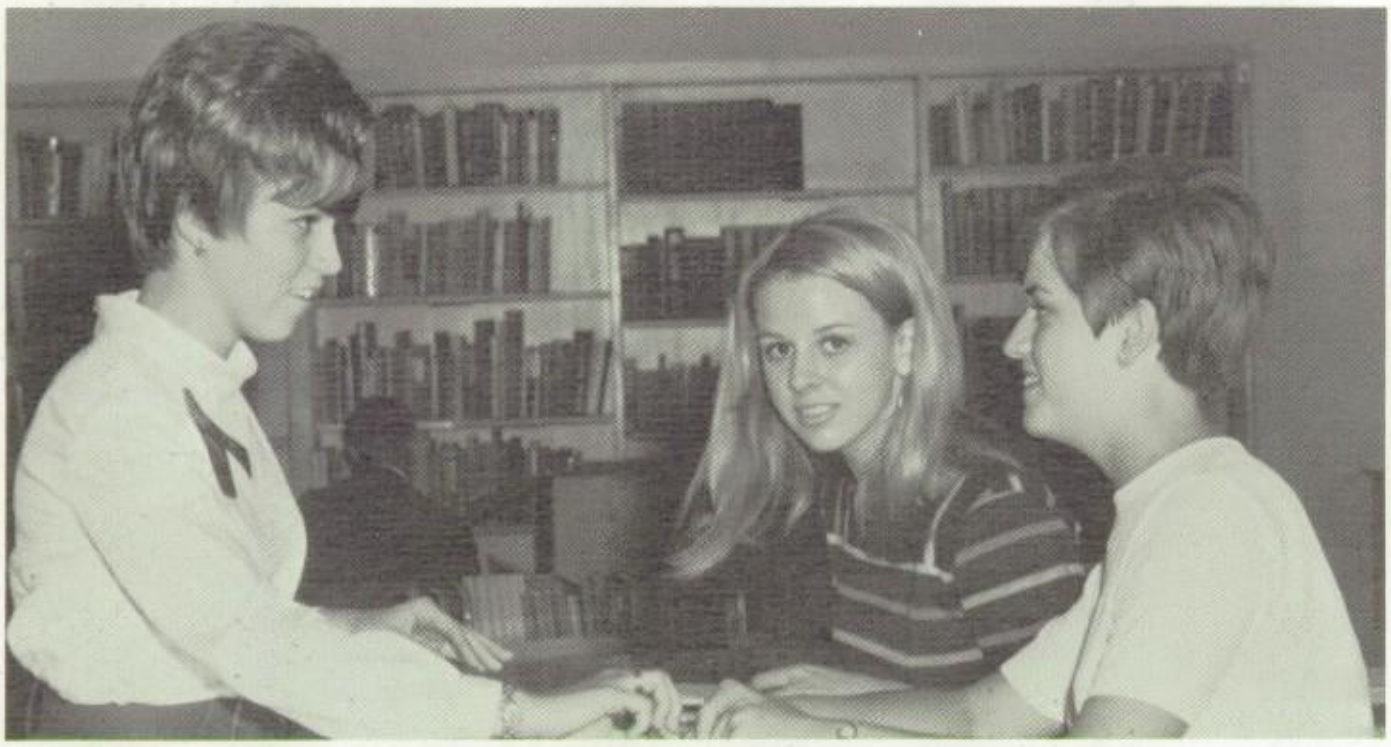
Plays and musicals are directed by the capable hands of the Kimball Fine Arts teachers. Mr. Steve Bayless, sponsor of the Knight Beats, expresses his interest in music by his past accomplishments, which include having been musical arranger for the Mal Fitch Orchestra and the Miss Texas Pageant. Besides being a former member of the N.T.S.U. lab band, he has played with the Six Flags Crazy Band and the Barnum and Bailey Circus Band.

Art classes, headed by Miss Enna Rogers create the much needed scenery for the various productions. Miss Rogers, sponsor of the Red Cross, has been teaching for thirty-eight years. The Fine Arts Department is rounded out by Miss Martha Hayes, Mr. Darrell Chambers, and Mrs. Mary Curtis. Along with her heavy schedule of speech, drama, and debate classes, Mrs. Curtis devotes many hours to the Thespians and National Forensic League.



Student receives friendly help from library assistants.

LIBRARY DEPARTMENT Joins the Teen-Age Library Association of Texas

Miss Audrey Patton, along with Mrs. Margaret Britton and Mrs. Sandra Kennamer, compose the library staff. Miss Patton's thirty-two years teaching experience include ten years at Kimball. Aside from her busy daily schedule, she finds time to sponsor the Justin F. Kimball Library Council.

HOMEMAKING DEPARTMENT Continues Progressive Philosophy in '68

Homemaking was once simply a class to learn to cook and to sew. However, the Homemaking Department of Kimball has broken this mold by following one of the most progressive curricula. As a result, two teachers in the department, Doris Blackburn and Annie McLain were chosen to help rewrite the curriculum guide. This influence is shown even more as one of the most modern and respected departments at Kimball is the Homemaking Department.

STUDY HALL DEPARTMENT Encounters Some Study, Absent Teachers, Stolen Clocks, and Sleeping Students.

Experienced teachers make up the study hall faculty. Mrs. Lucille McNeil, now in the twentieth year of her teaching career, demonstrates daily in each of her classes that experience is a good teacher. Mrs. Madge Dillion, who has been teaching for seventeen years, Mrs. Orelya Kline, in her fifteenth year of teaching, and Mrs. Betty Gannaway, who is a sponsor of the Kimball Dance Club, now teaching for the eighth year, demonstrate the years of experience behind Kimball's study hall faculty.

Experience teaches that only a quiet study hall is suitable for proper study. Through the able leadership of the study hall faculty Kimball students obtain in study halls the perfect time and place for arranging thoughts as well as completing assignments.

ROUNDTABLE

Whoever sincerely endeavors to do all the good he can will probably do much more than he imagines or will ever know . . .

ANONYMOUS

Margaret Heflin

Earning the respect of fellow classmates is not often an easy task. Margaret Heflin, however, has earned the confidence and respect of all who know her. Exhibiting her intense enthusiasm over a rapidly progressing age, Margaret still manages to maintain the beauty of simplicity•which is all too often lost in progress. Margaret is an example of both progress and simplicity.

A keen sense of value and leadership, which is a major component in the unique personality of Margaret Heflin, extends through a wide range of school activities. Such qualities cumulate in Margaret's position as captain of the Troubadears. Classrooms and schoolwork also receive Margaret's full attention, and it is for this reason that Margaret serves in the National Honor Society.

David Koch

Ability is a key trait leading to the success of David Koch—scholastic ability, athletic ability, and ability to make friends. Serving as a visible example of his scholastic ability, David holds a membership in the National Honor Society.

Athletic abilities are demonstrated by David as he plays Varsity Basketball. His performance won David the Knight Award in basketball.

David's warm personality and enthusiasm have proved contagious to all, and have shown his ability to win many close associates.

Venetia Hobson

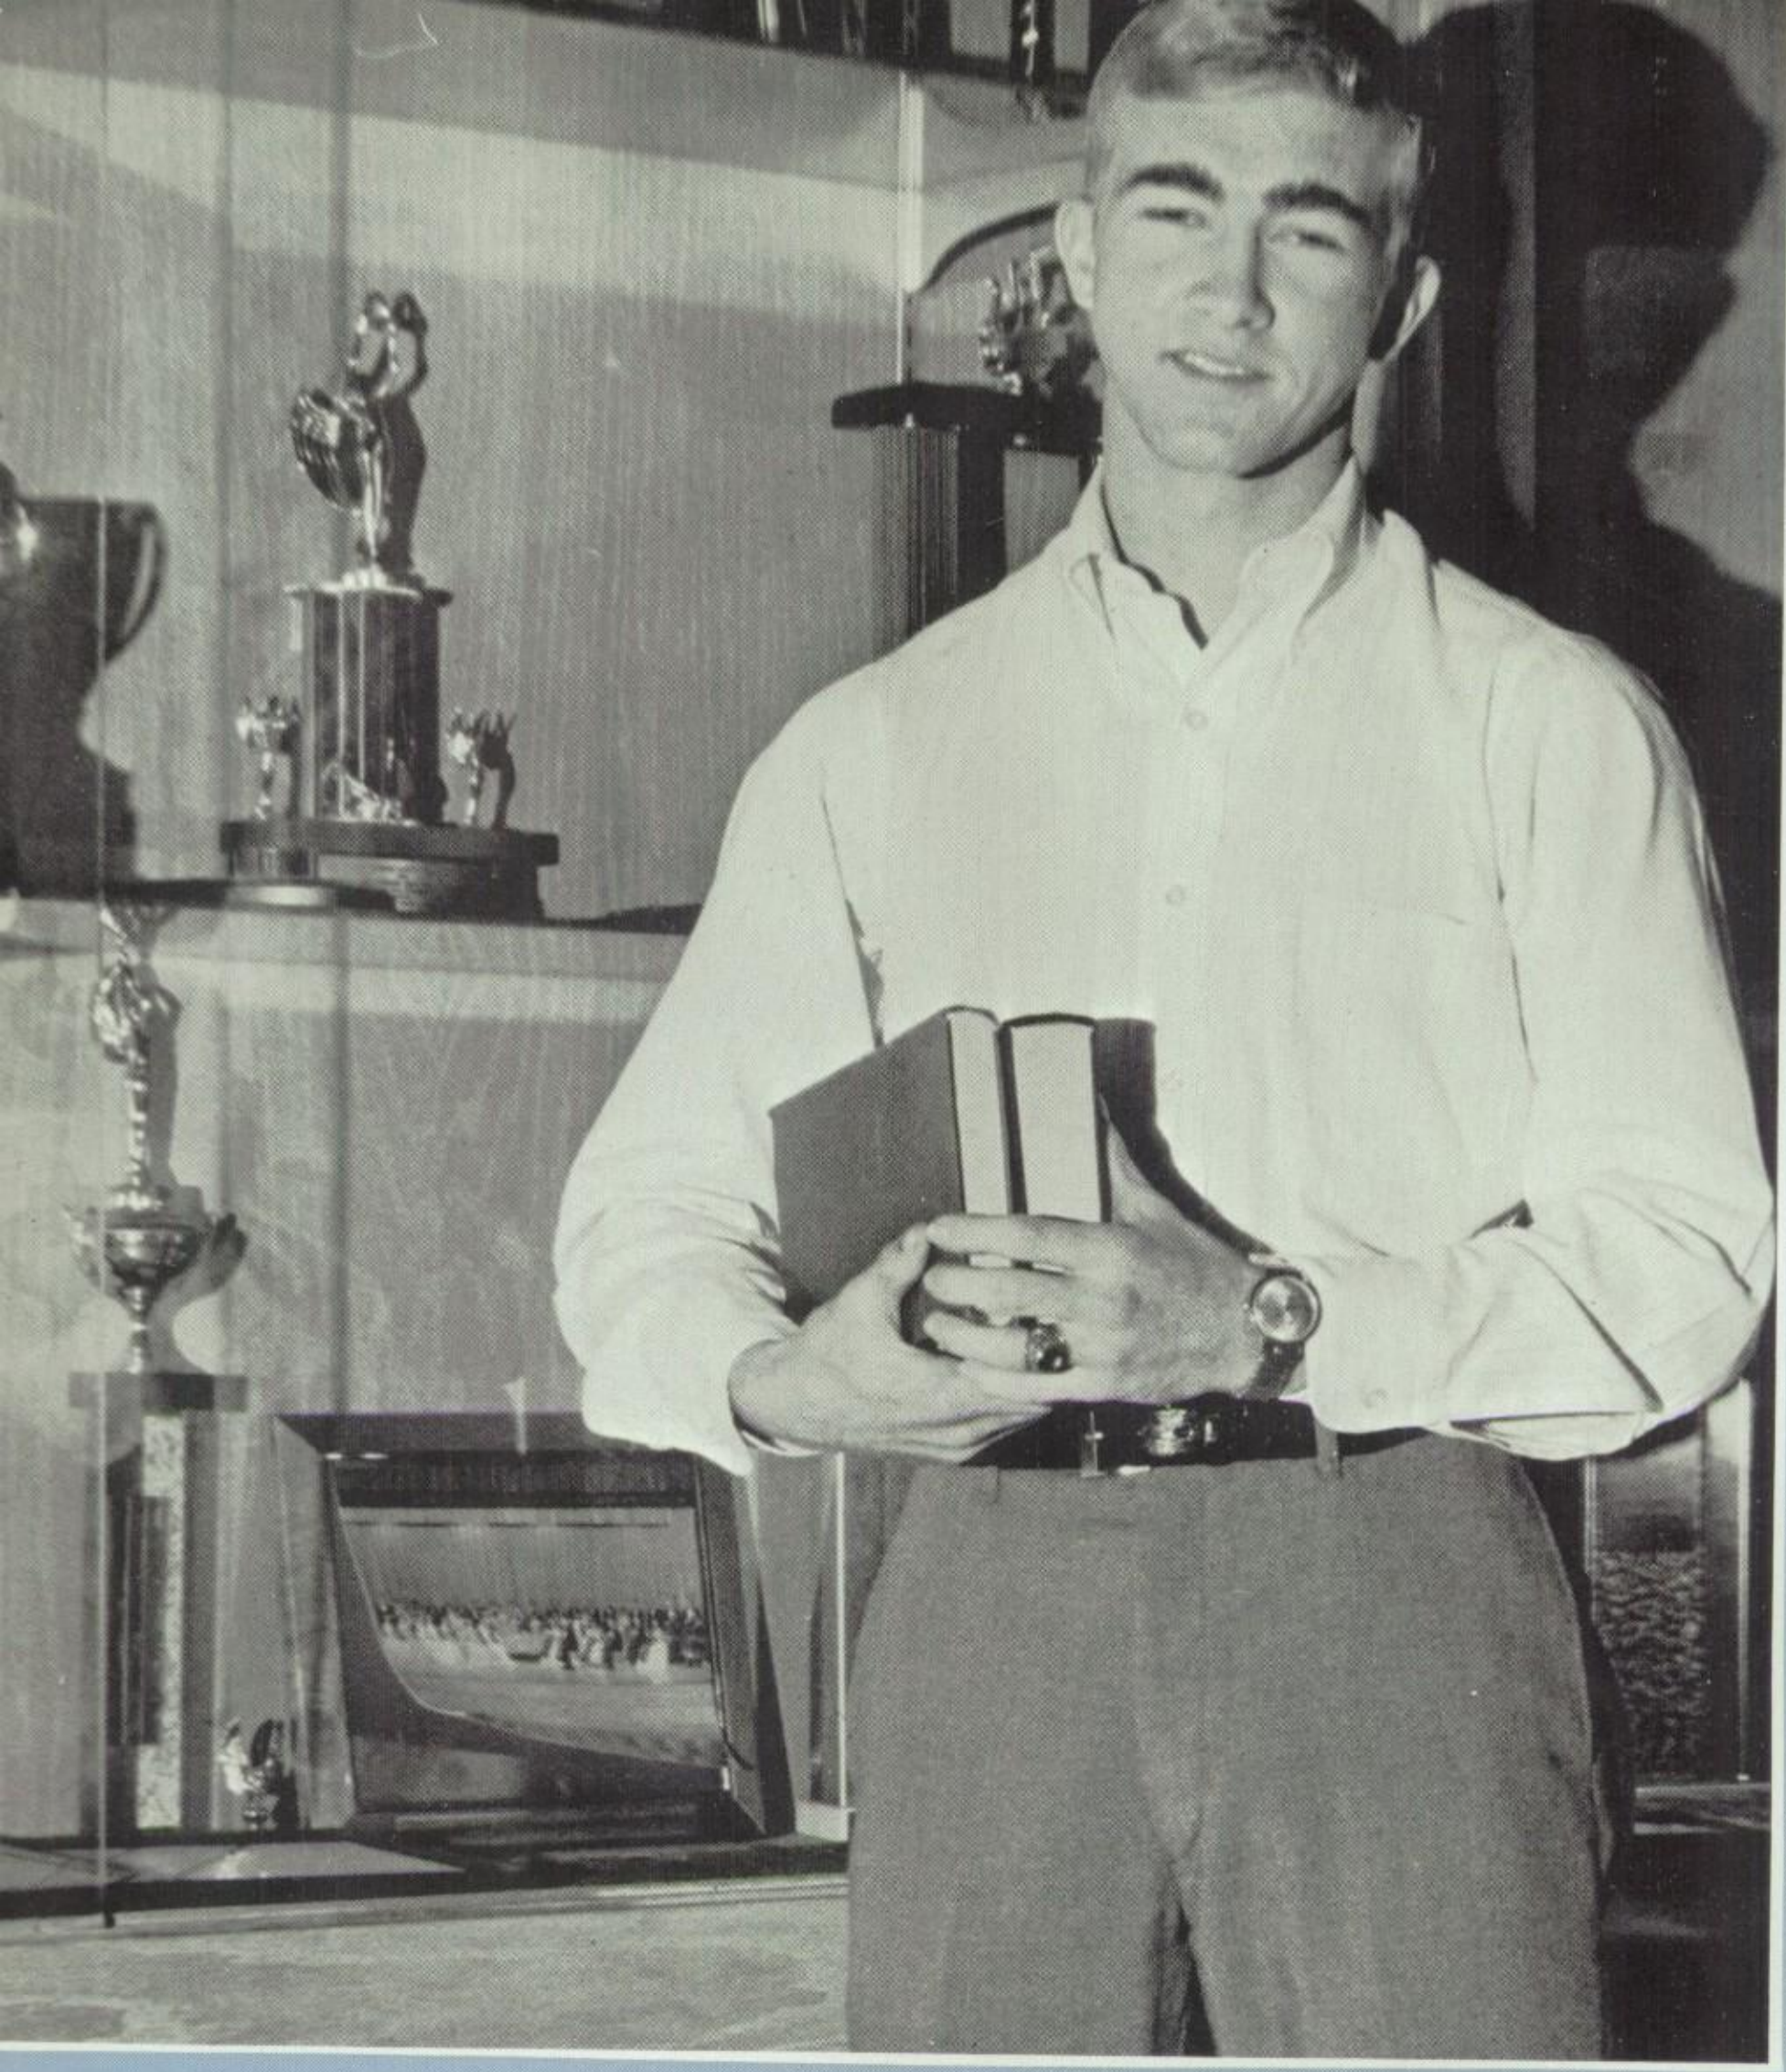
For Venetia Hobson, the world revolves about a stage. At the same time, however, the stage revolves about Venetia. Proof of this lies in the fact that Venetia has acted in countless plays, has had the lead in many of these, and has placed in several state-wide speech tournaments.

Venetia does not confine her performances to the stage, however. Her scholastic endeavors encompass many phases of Kimball activities, including membership in the National Honor Society.

Bobby Rollings

Leadership in sports and scholarship are qualities seldom combined into one outstanding student. Despite this, Bobby Rollings is such a student. Leading student activities as President of the Student Council, Bobby makes numerous appearances on behalf of the student body.

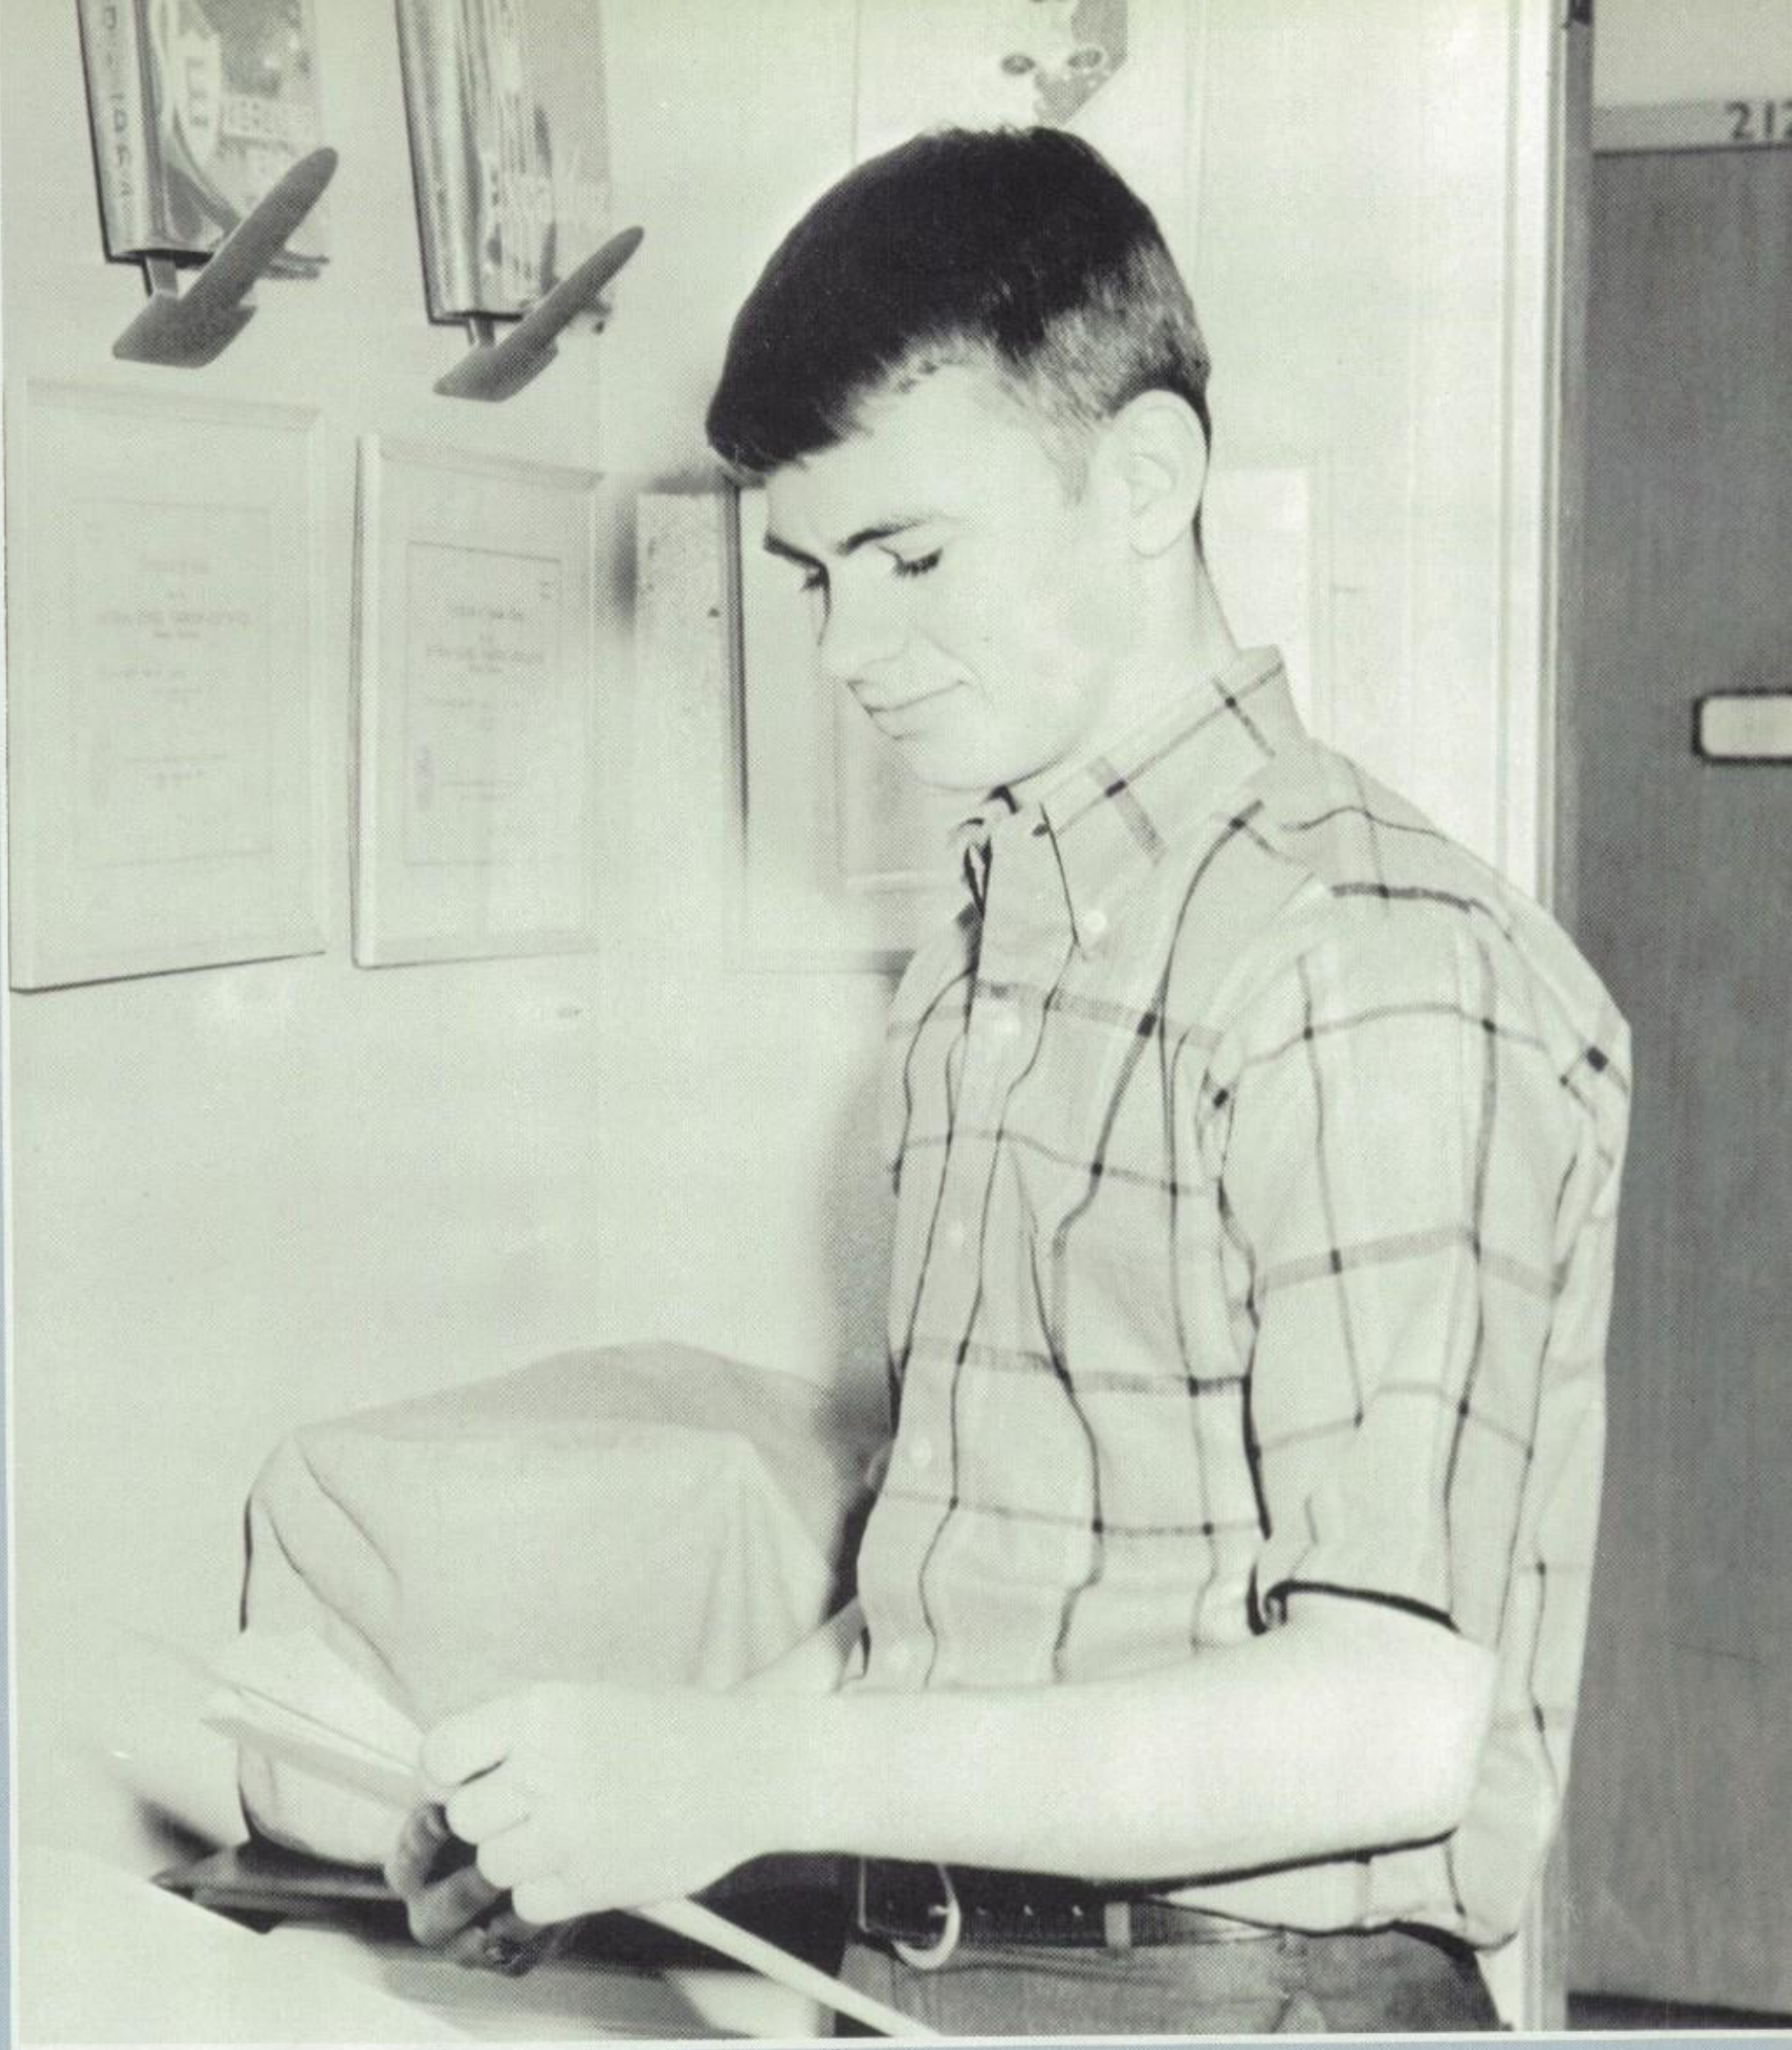
Representing Kimball also in sports, Bobby is a member of the Varsity Basketball Team, and received Honorable Mention for All City Basketball.



David Robbins

Determination, not talent has long been a by-word of success. Talent, however, is created through determination. These are the passwords which have led to the success of David Robbins. David exhibited his perseverance and athletic capacity in several sports, and his pursuits were recognized as he was elected to the All City Football Team.

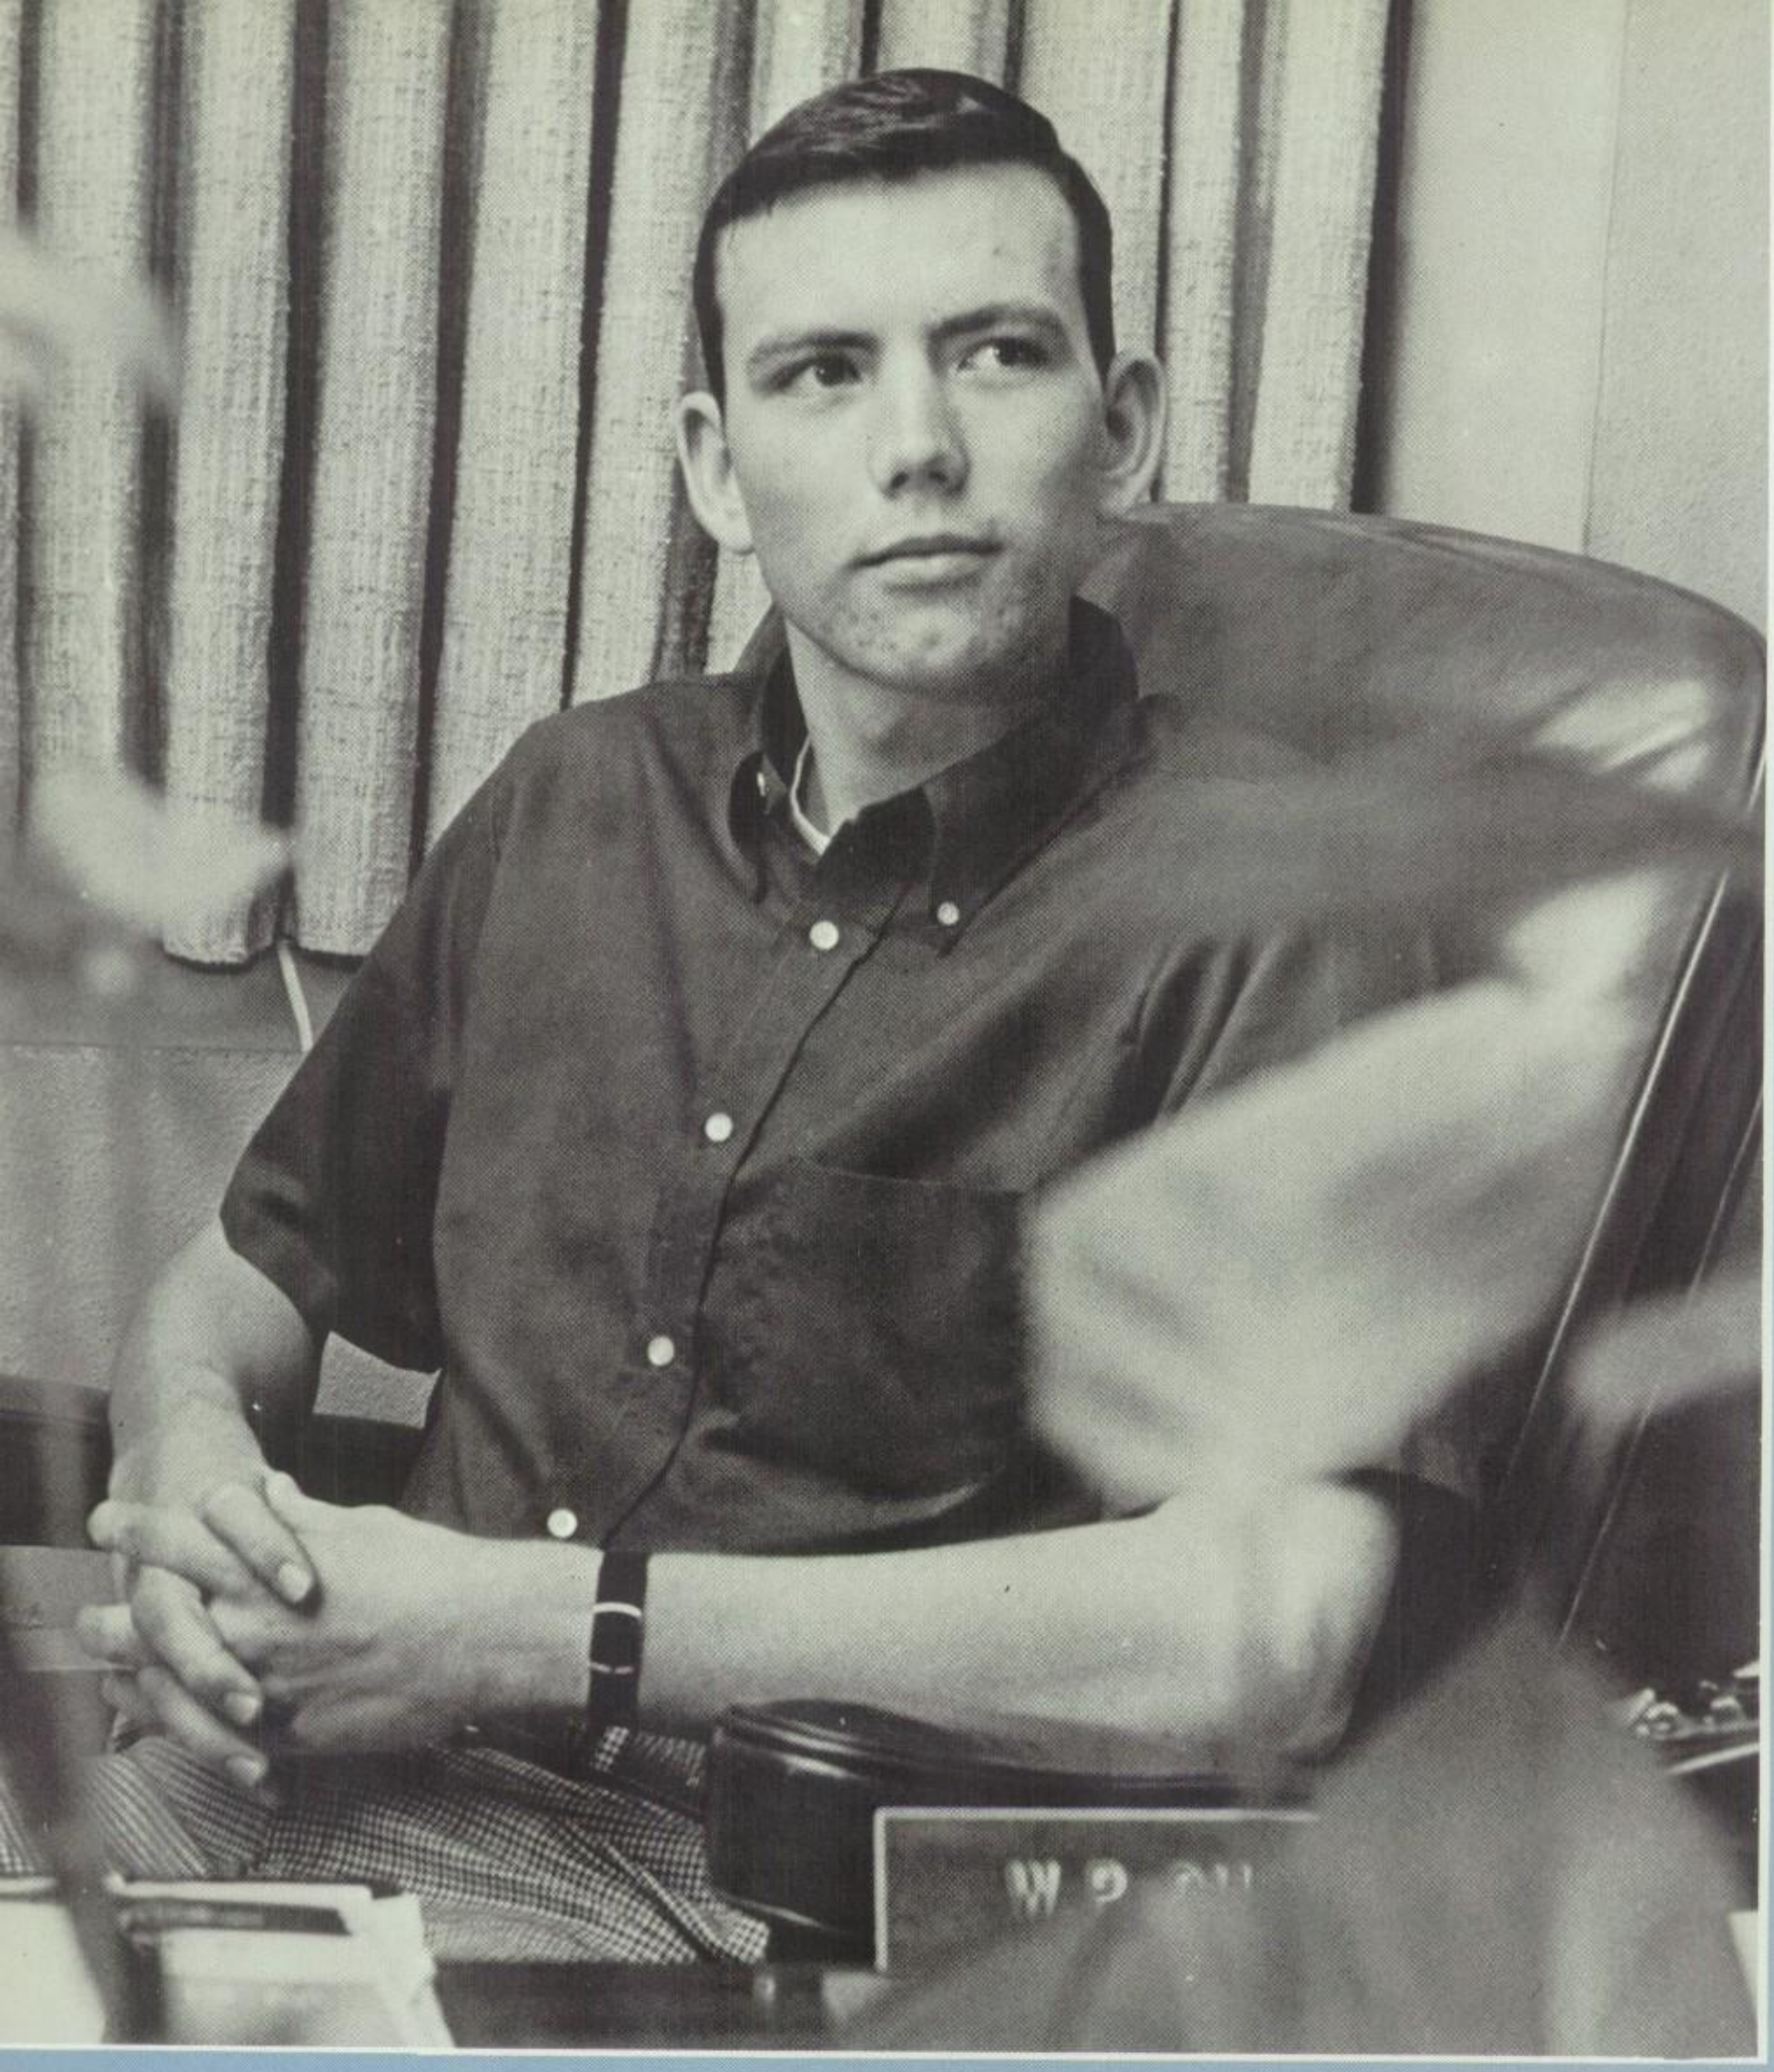
Extending his capacities beyond the athletic program, David has served in the Student Council and has taken an active part in the Junior Play.



Terry Bilhartz

Versatility is a key word in the personality of Terry Bilhartz. Disproving the old theory of the athlete with no brains but all brawn, Terry shows that sports and scholarship can meet on common grounds. Holding a letter in both football and baseball, Terry represents a well-rounded athlete.

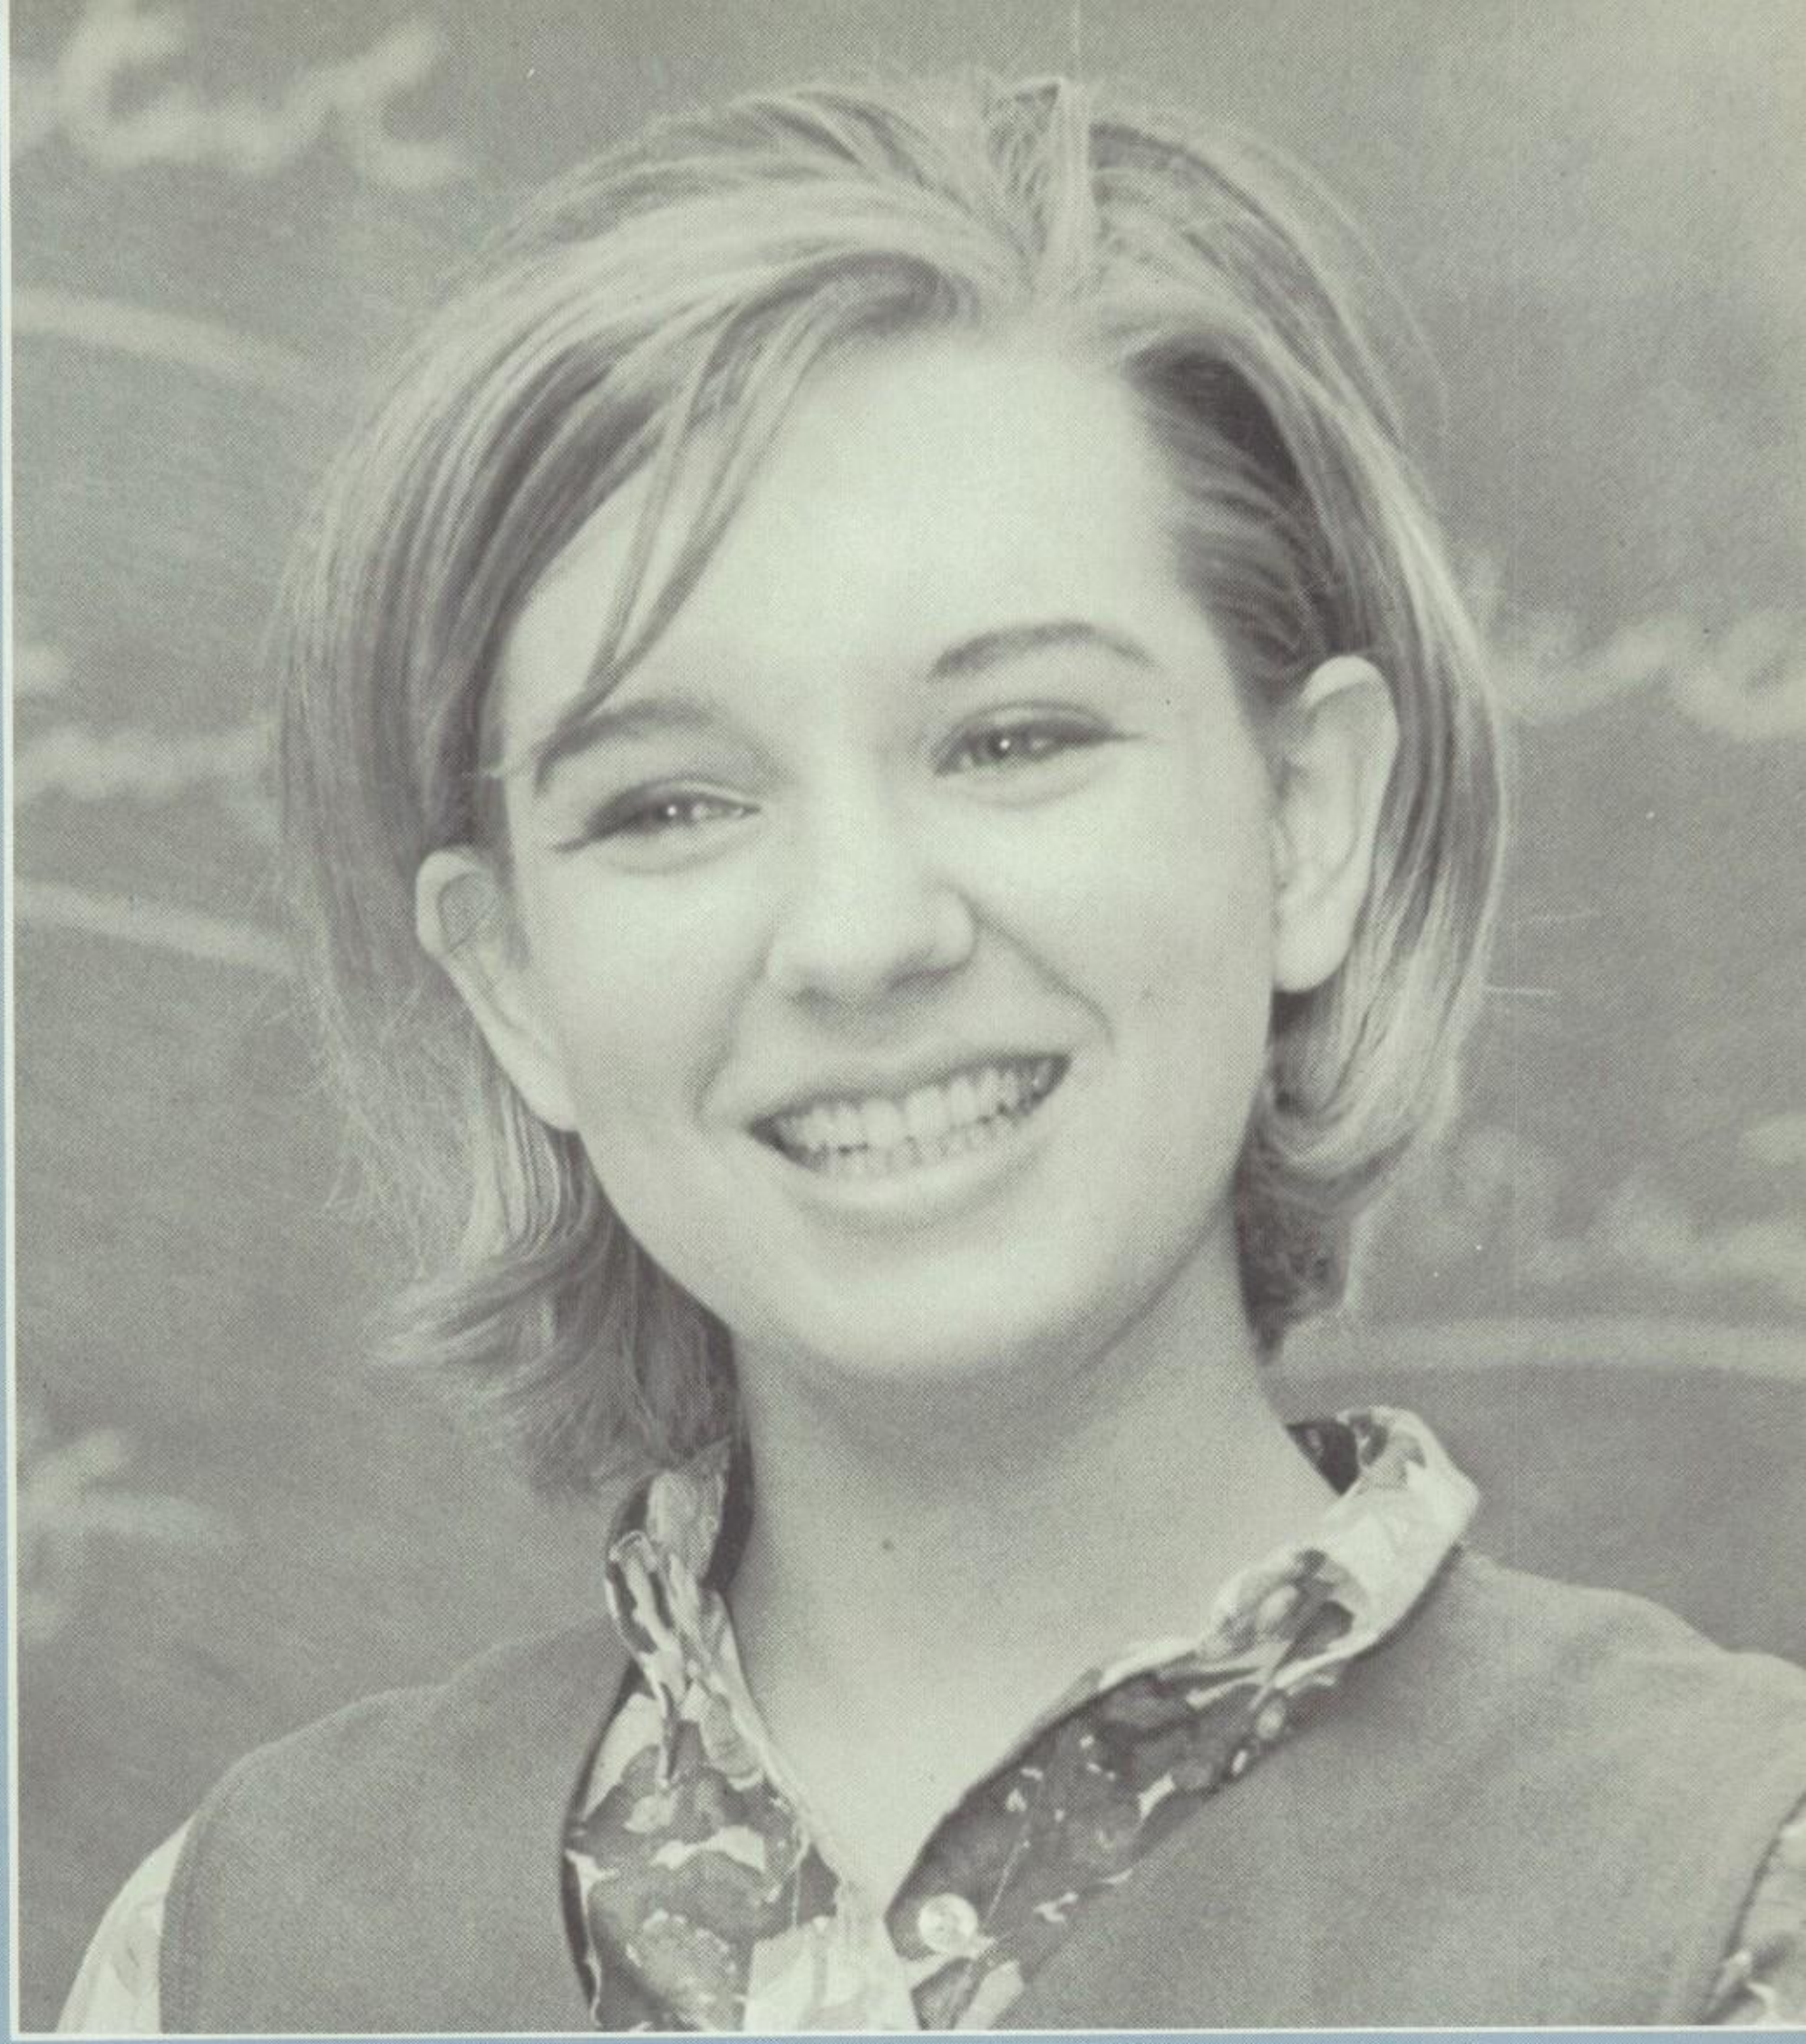
Not stopping with athletics, Terry's endeavors continue into the classroom. Terry excels scholastically, which is evident by his membership in the National Honor Society, and by his service as Treasurer of the Student Council. Terry also exhibits his abilities as Sports Editor of the *Excalibur*, which indeed confirms his versatility.



Jim Lybyer

Personality along with willingness to accept responsibility are the main factors which have established the reputation of Jim Lybyer. Jim's intellectual accomplishments are matched only by his ability to work with and for others. Among his achievements, Jim holds a Letter of Commendation from the National Merit Foundation.

Leadership in the field of student achievement is the key quality in the success of Jim Lybyer. Serving as Vice-President of the National Honor Society and of the Student Council, Jim displays the perception and strength of character for a student in such prominent roles. It is with these traits that Jim Lybyer personifies the responsible citizen of the future.



Lucy Holsonbake

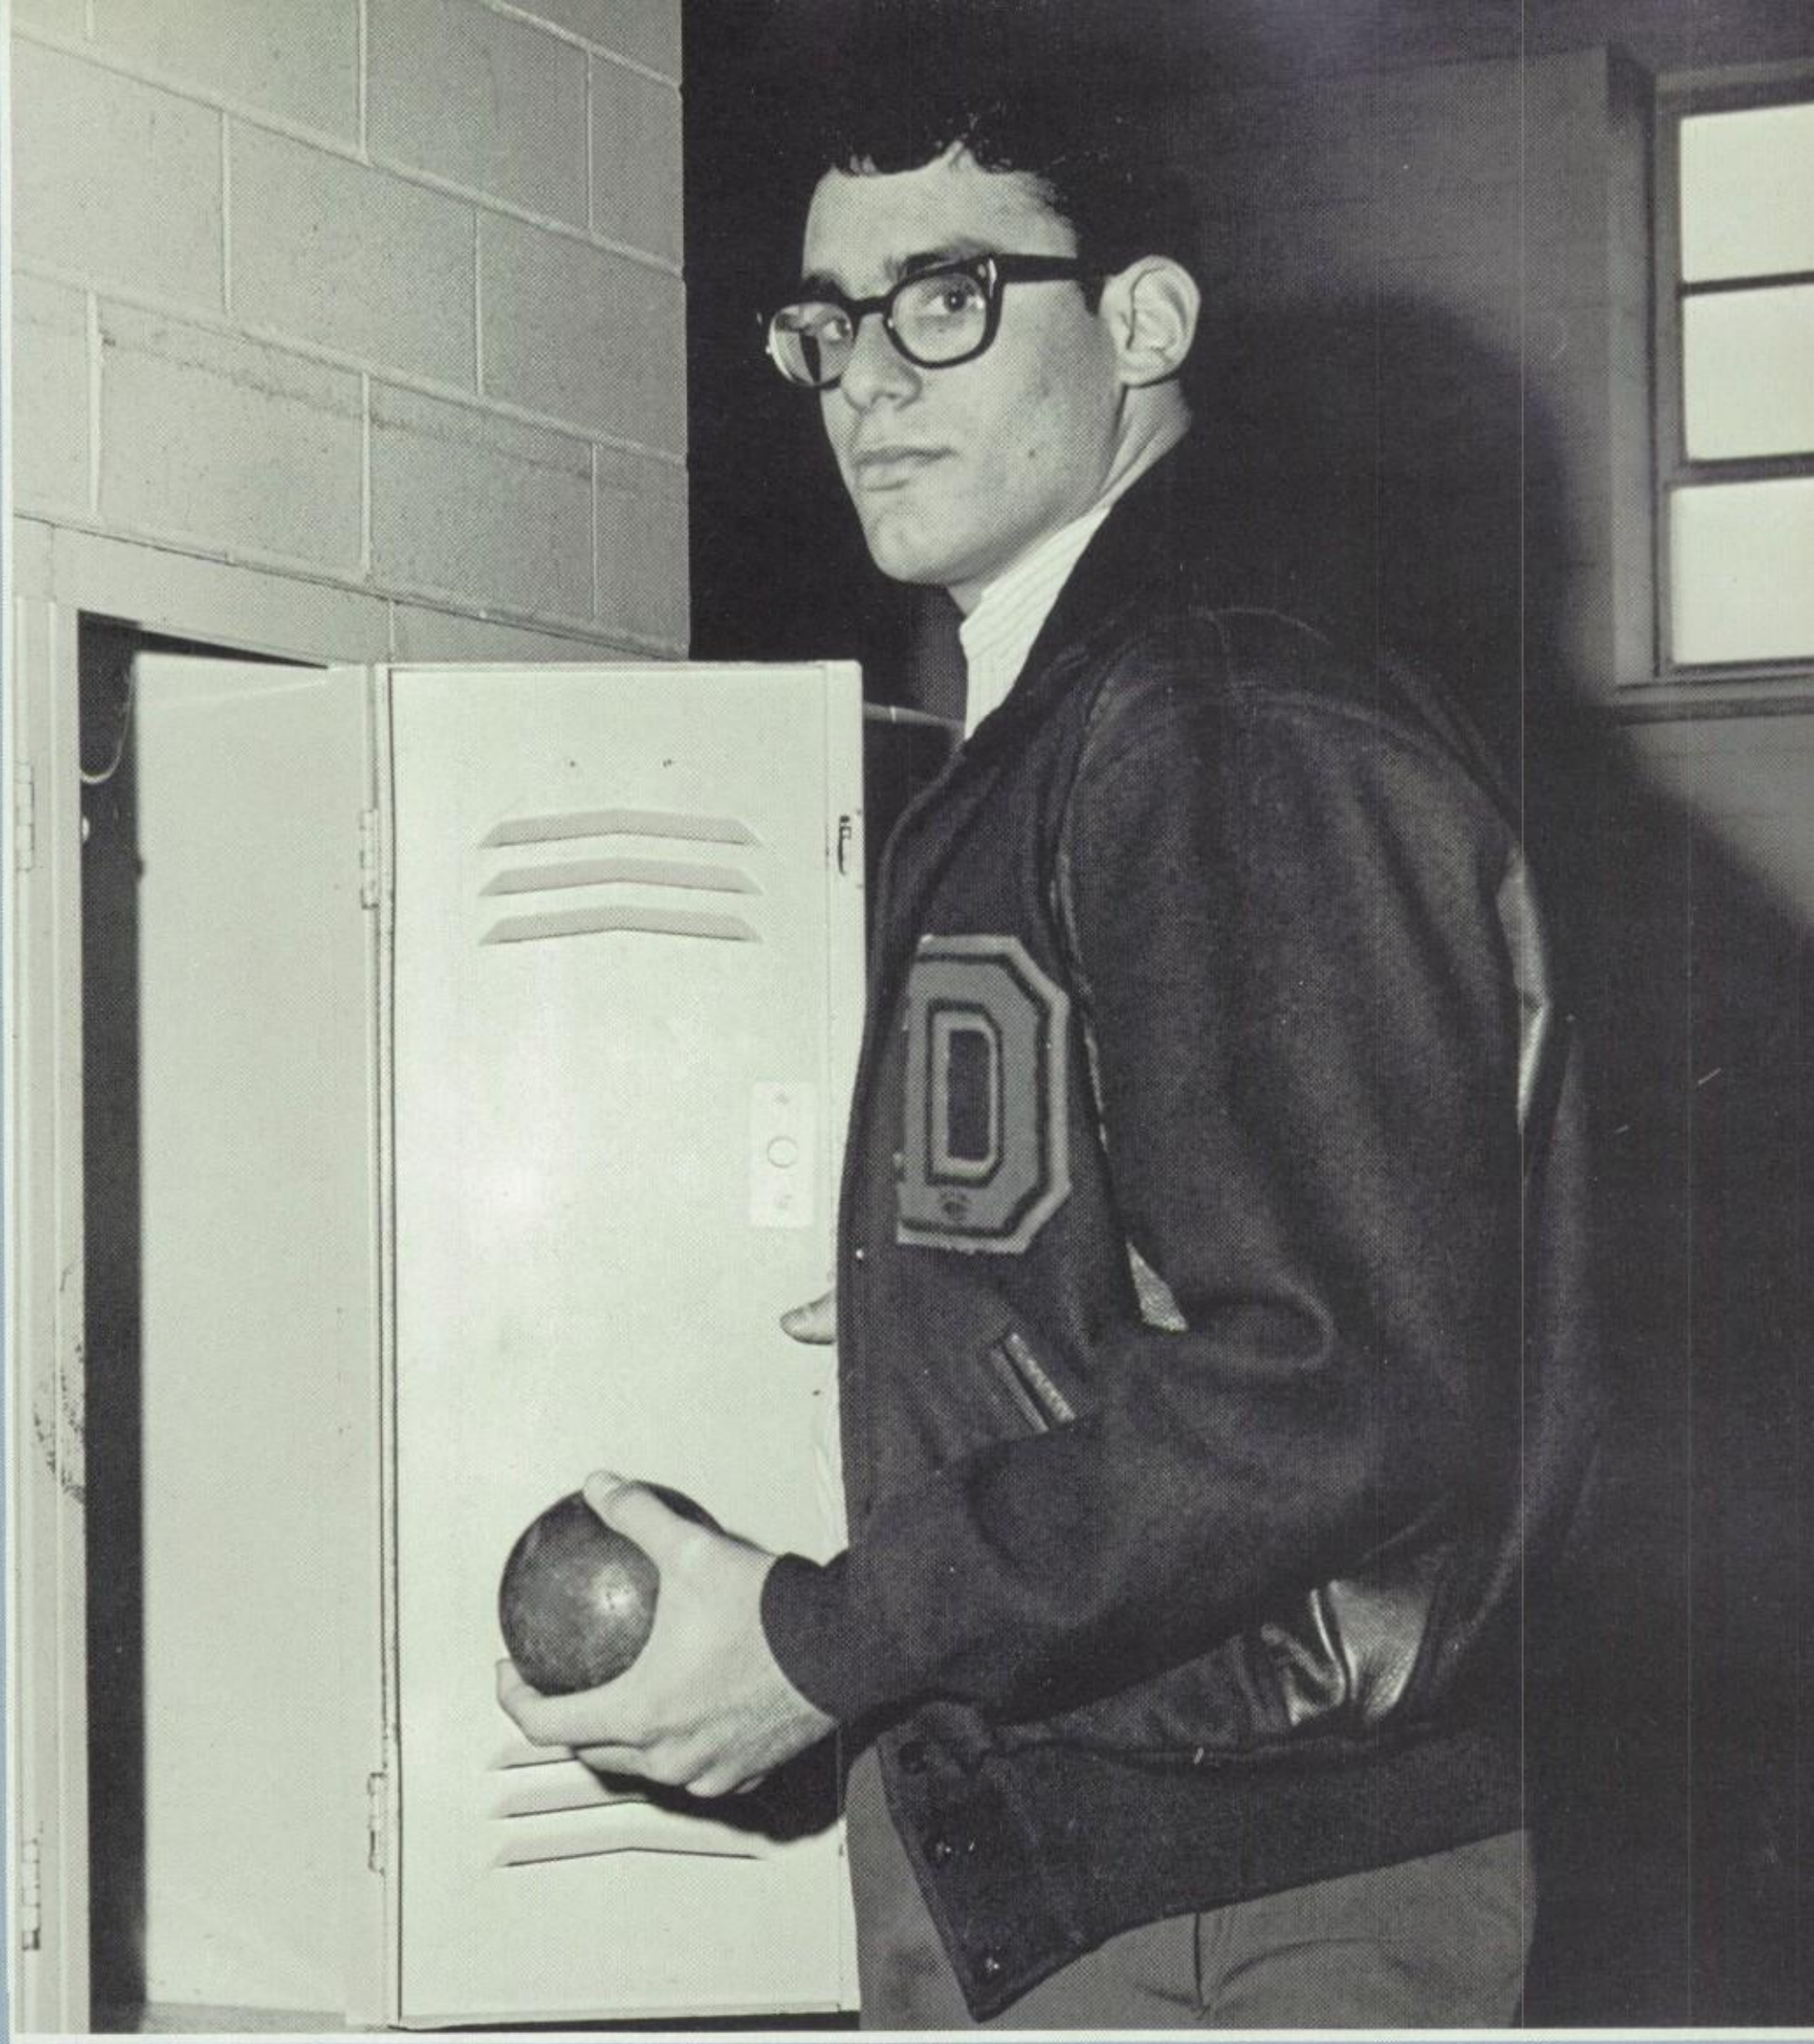
Smiling and continually happy are adjectives which well describe Lucy Holsonbake, an active Kimball Knight who is often seen at Kimball. Students may see Lucy either in the halls or on the stage. An avid and active participant in the speech department, Lucy has shown her abilities at acting by her many wins in speech tournaments and statewide competition. Despite countless hours spent practicing lines and parts, Lucy still finds time for scholastic achievement. These endeavors earned Lucy the honor of being selected as a Dallas Lions Club Foreign Exchange Student Representative.

Cindy Armstrong

Instant smile, instant greeting, instant friendship —these traits are continually evident in Cindy Armstrong, a true example of the rare combination of beauty and brains, Cindy's amicable personality is not her only virtue, however.

Sincere congeniality and a keen wit, in addition to perseverance, have helped Cindy in her success as a cheerleader. Serving on the cheerleading staff for two years, Cindy has exemplified the spirit which is so necessary for a school to possess.

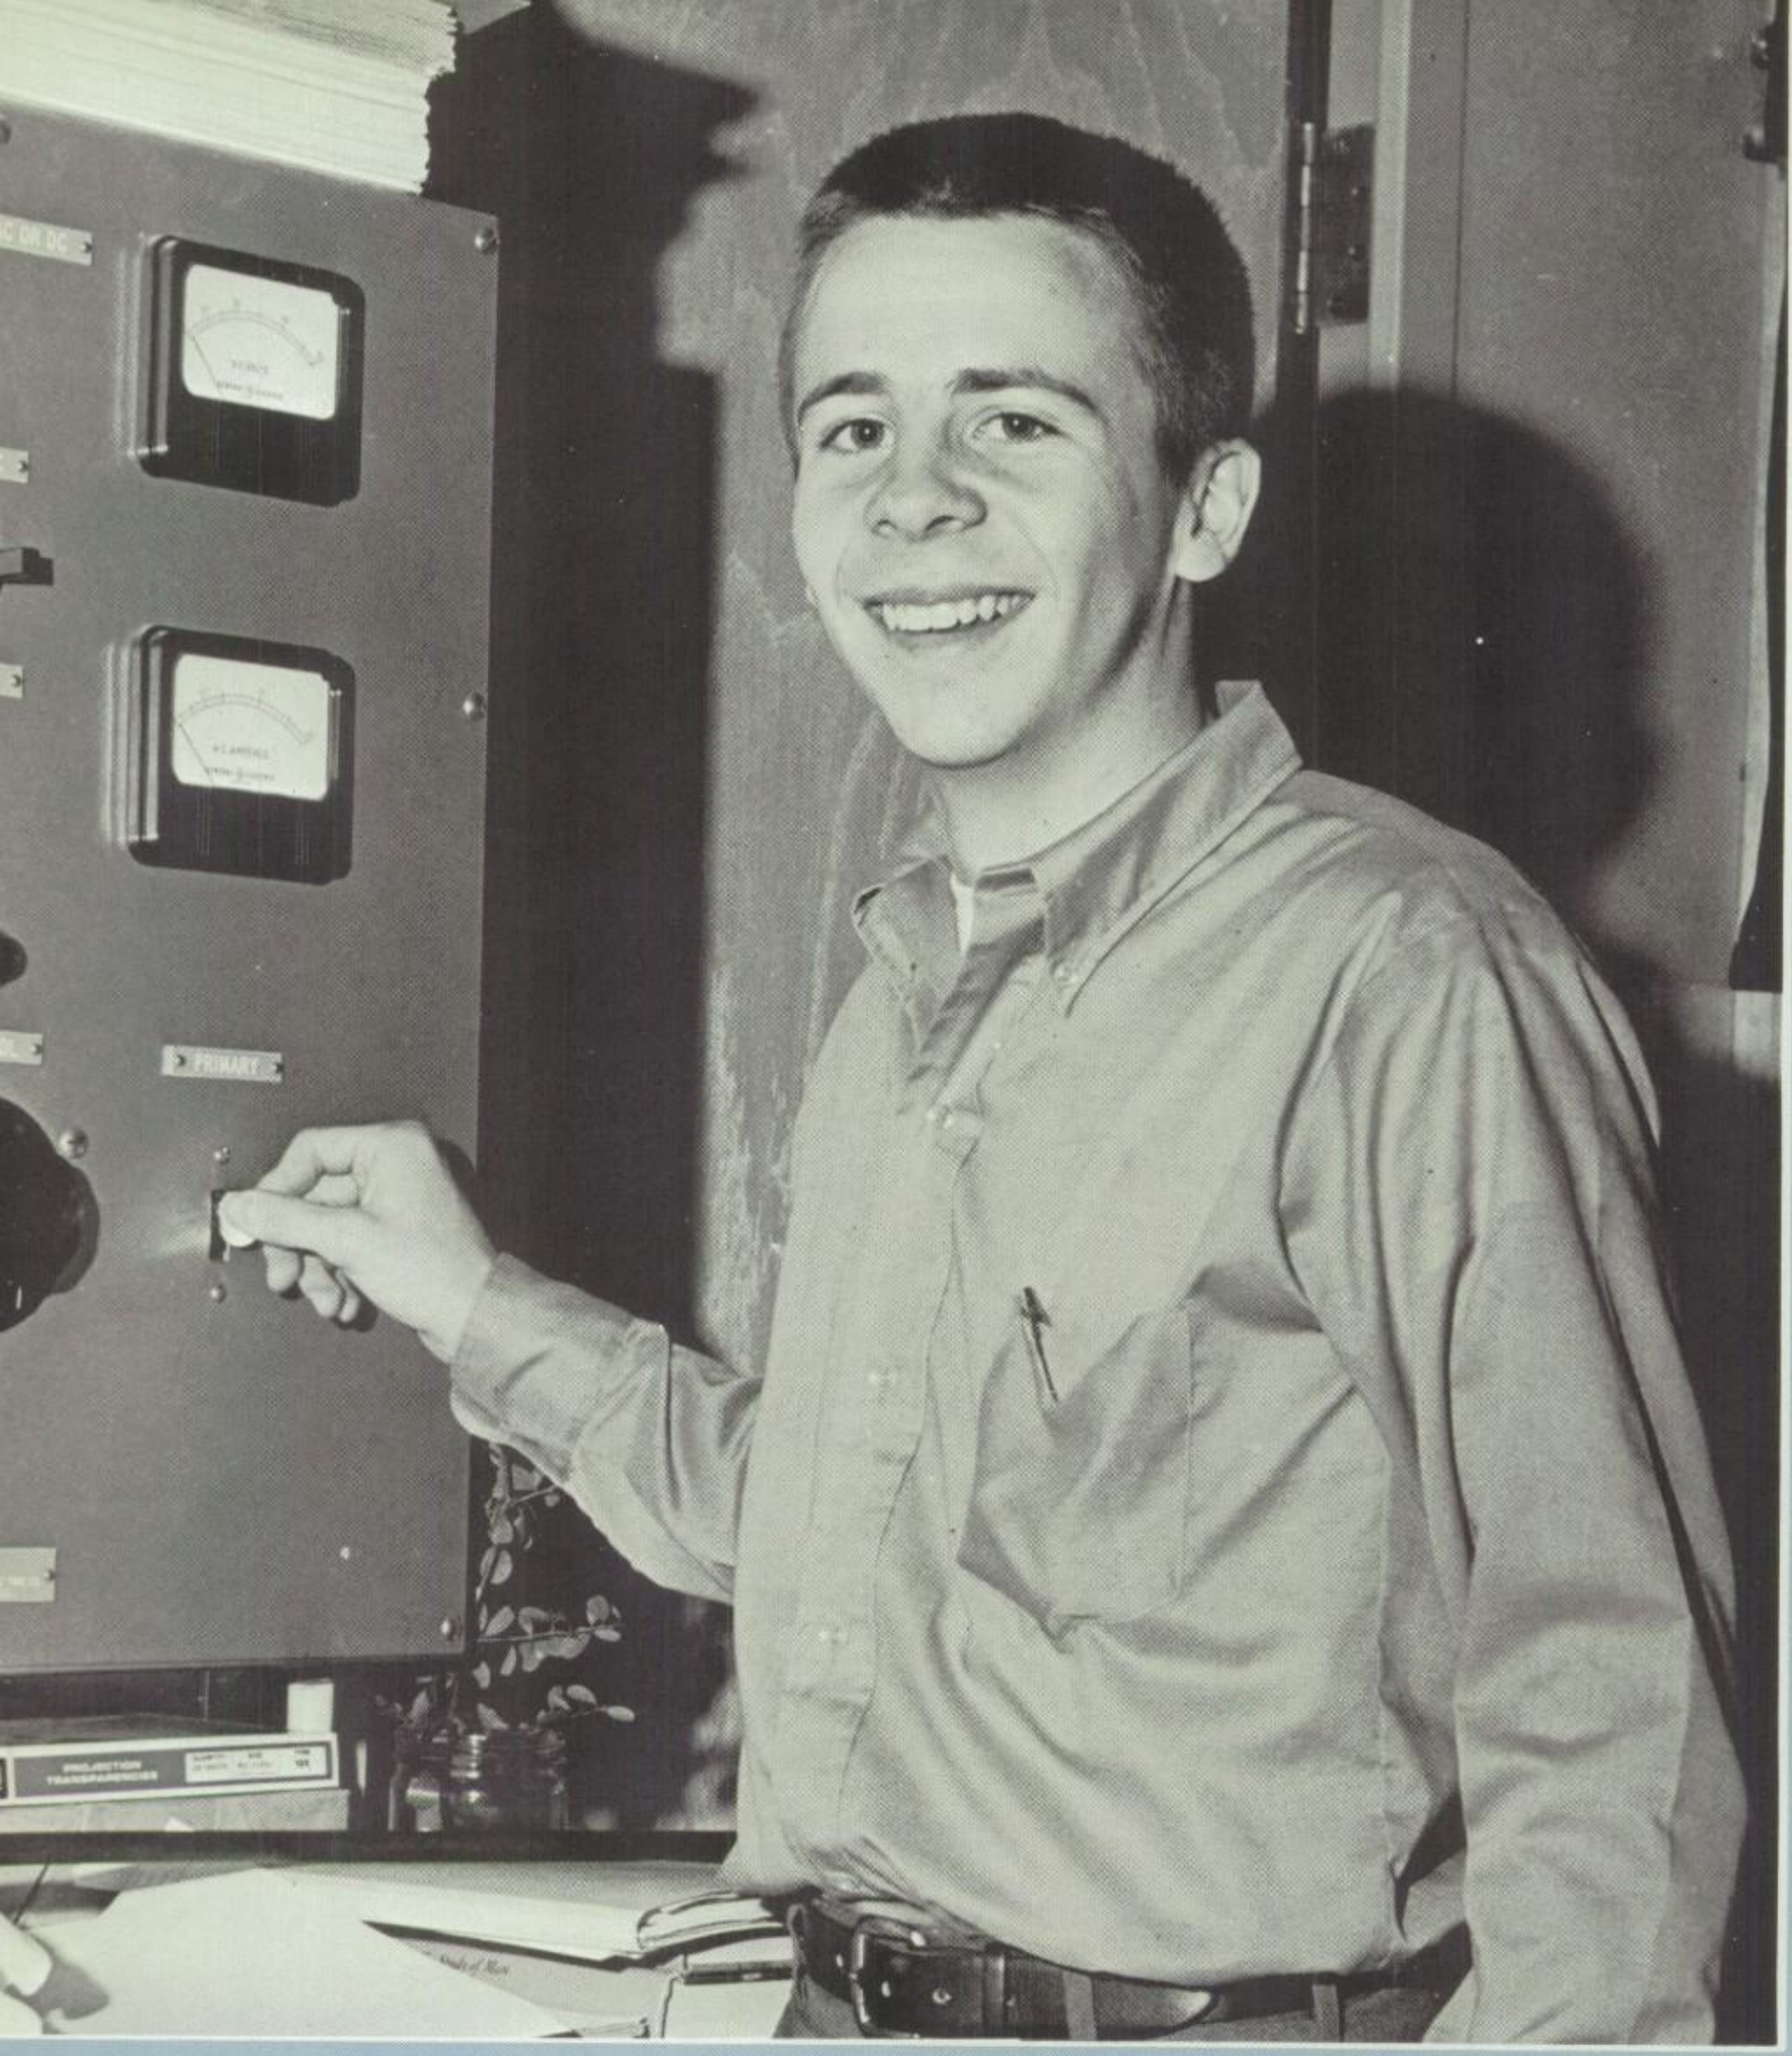
Talents attributed to Cindy do not stop at this point. Achieving success also in the classroom, Cindy has served on the Student Council and has been elected to serve in the National Honor Society. An outstanding example of the truly versatile student, Cindy definitely represents the modern and active student.



Stan Guzick

Athlete or scholar? This a question not often asked of a high school student. However, it has justifiably been asked of Stan Guzick, for he has excelled in both areas. Seemingly indestructible on the playing field, Stan's dedication and ability were rewarded as he was selected a tri-captain in football and was awarded an honorable mention in All-City Football.

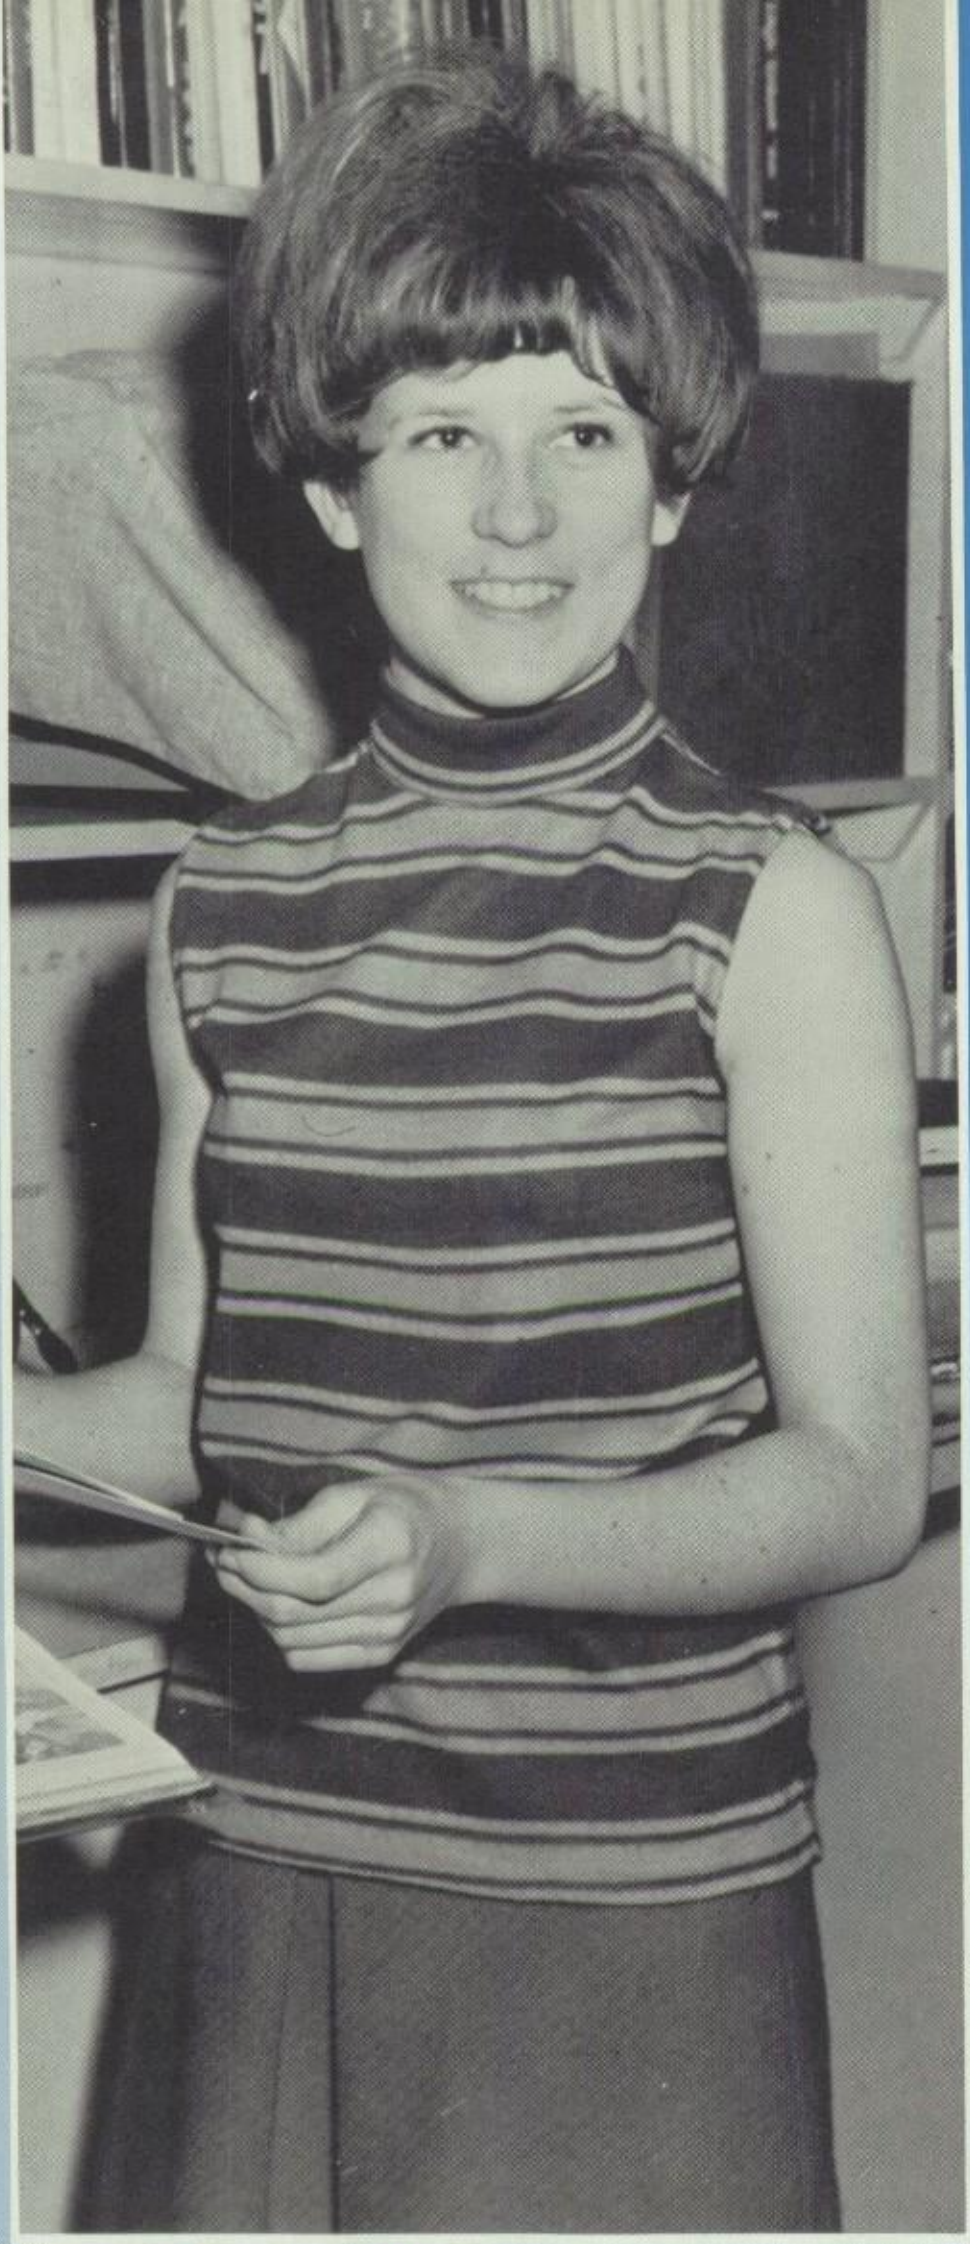
Not limited to the playing field, Stan's determination to excel is exhibited also in the classroom. Serving as Vice President of the Senior class and in the National Honor Society, Stan's achievements personify the best of Kimball in action.



David Burns

Taking an active part in school activities, David Burns adds much to Kimball through his participation. Selected as drum major of the Knight Band during the 1967 marching season, David met with the opportunity of exhibiting his skill while serving the school.

David's success and achievement are evident not only in the band, but also in the classroom. His many scholastic achievements, among which are a letter of commendation from the National Merit Foundation, have earned David membership in the National Honor Society. David represents a fine example of the modern youth who turns opportunity into achievement.



Janis Black

Her quiet, retiring manner might mislead fellow students. To those that know her well, however, Janis Black seems a bustle of activity always on the move. And on the move she is. Scholastically, the strong efforts put out by Janis have earned her membership in the National Honor Society and Quill and Scroll.

Serving on the *Excalibur* staff for three years, Janis has shown her intense energy by accepting the responsibility of Classes Editor, Activities Editor, and Co-Business Editor.

Janis indeed shows that good scholarship, untiring energy, and modesty equal success.

Robert Moomaw

Making up a well-rounded student body requires well-rounded students like Robert Moomaw. Taking part in many activities which often go unnoticed by many students, Robert has served as M.C. for Senior Day and for the Coronations. Robert also takes part in school activities by serving as president of the Concert Choir and as announcer of the Knight Beats. With this active participation in school activities, Robert surely represents a symbol of service to his fellow students.

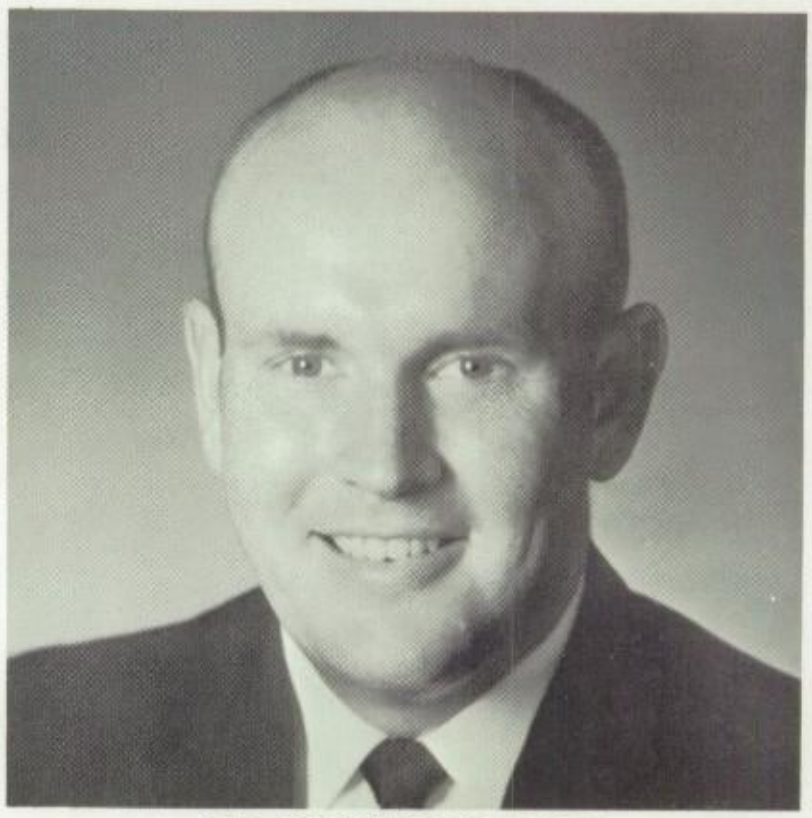
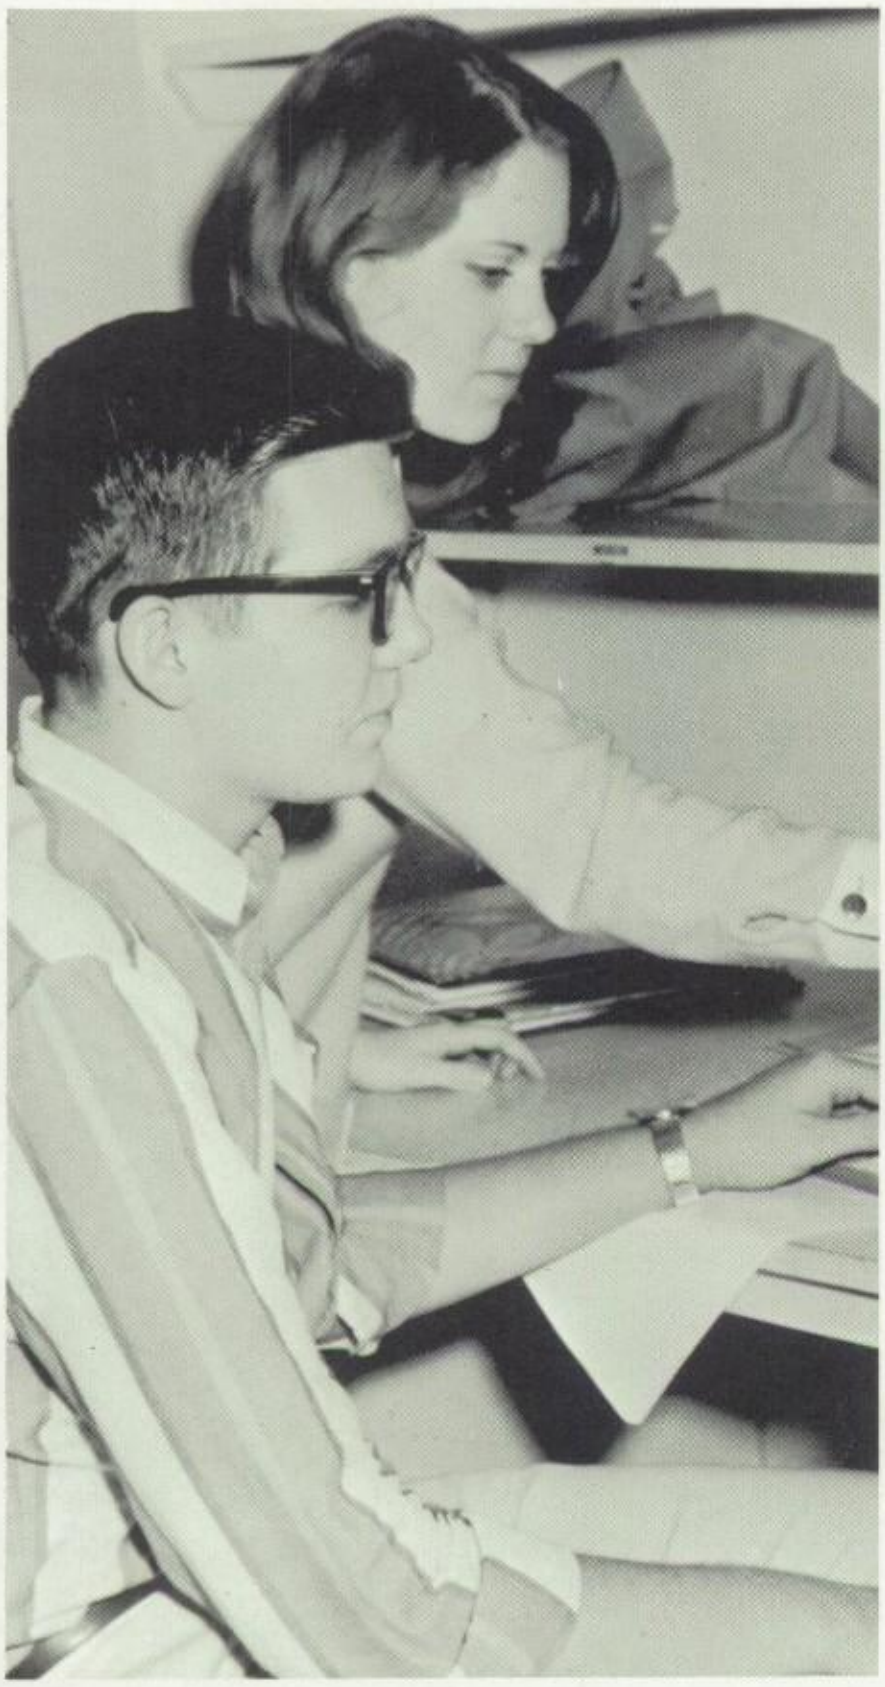
Ten Members Comprise the 1968 Excalibur Staff



MR. RICHARD BURTON
Sponsor



The seemingly endless job of senior pages is begun by Ben Denny and Linda McDonald.

Danny Zivney and Julie Davis file pictures in order before pages are laid out.

As far back as summer of 1967, Kimball's annual staff began work for the *1968 Excalibur*. Since then, hard work has continued each day during seventh period. Tucker Bishop, Editor-in-Chief, makes sure that each deadline is planned and met.

The *1968 Excalibur* staff has put many long hours into these pages making sure that this annual will be better than any of the preceding year's. This goal must be obtained so that seniors will remember the *1968 Excalibur* forever.

Beth Jernigan and Mike Johnson listen attentively as senior members of the staff explain how to type senior honors.

Knight Life *Staff Excels in Presenting Current News*

Kimball's *Knight Life* has attained a high status due to the fact that it accurately reports the latest news, not just at Kimball, but from many other scenes occupying the interests of Kimball's students. The newspaper staff through many hours of hard work has made it deserving of high praise. They have produced a factual newspaper that presents a broad scope of information, including sports accounts, college spotlights, and reviews on current movies and plays; it also has a lighter side to make for more enjoyable reading. Mrs. Nancy Pollard, this year's sponsor, has done an excellent job at helping the newspaper surpass its past goals and reaching a higher quality.

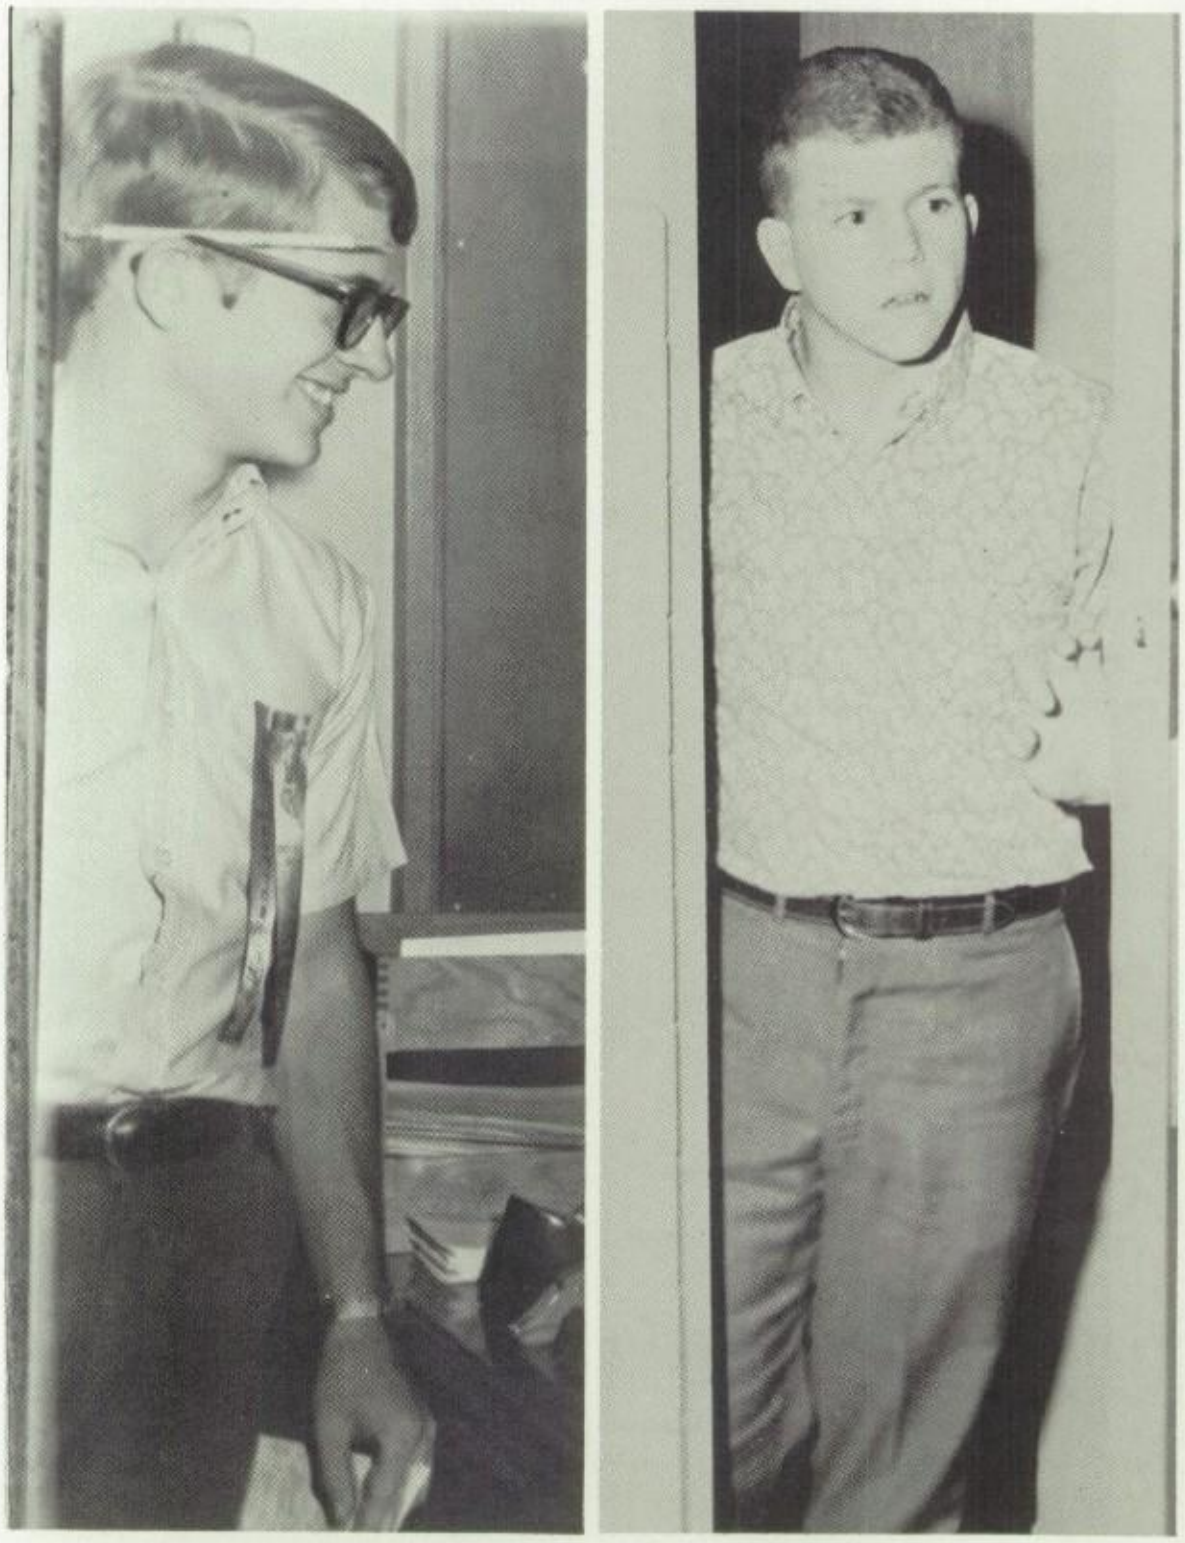
Knight Life *and* Excalibur *Staffs Publish Facts That Become Lasting Memories*

Mr. Burton, the *Excalibur* sponsor, has just received a shipment of pictures from Mr. Taylor.

"Work! Work! Work!" is the common outcry heard from the annual and paper rooms! When the work is done there is time for recreation, such as summer parties, holiday banquets, and deadline workshops. A Quill and Scroll banquet, held in the spring, is attended by both *Knight Life* and *Excalibur members.*



Tucker Bishop, the *Excalibur* Editor, and Jerry Crow, the *Knight Life* Editor, spend much time gathering information on current happenings.

Becky Brown, Tina Johnson, and Denise Morris kibitz as Jimmy Orvis works on a late breaking story.

Library Council Betters Efficiency of Kimball Library

Anita Elledge assists study hall assistants in keeping daily attendance.

Rita Richerson and Debbie Peters decorate the library's bulletin board, adding peaceful surroundings for a better studying appearance.

Carol Redding and Susan Miller face-up books to beautify the Kimball library.

Working to improve the daily operation of the library are the members of the Library Council. They put in many hours not only assisting the librarian, Mrs. Patton, but also to render service to any Kimballite seeking to check out books or find articles on different topics. Other duties of the Library Council include arranging books on shelves and keeping records of students present from study hall.

A Jamais Aids Travis State School

À Jamais initiation produces varied reactions.

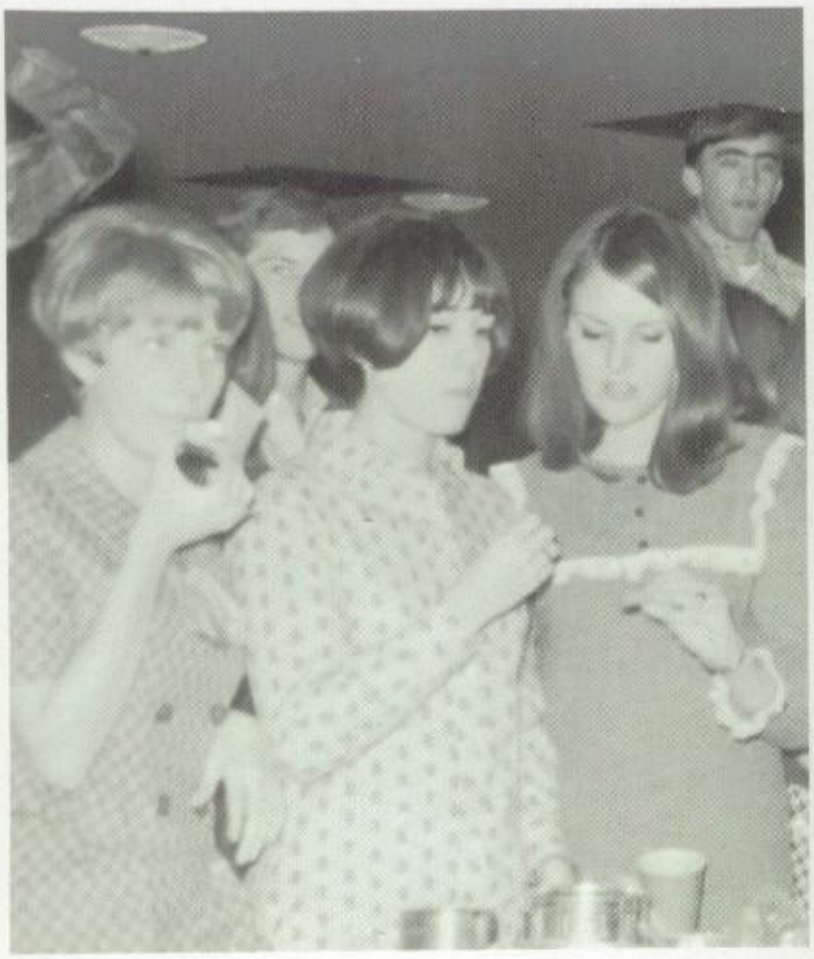
À Jamais has its largest enrollment this year with two hundred fifty-one members. With such a great membership, its activities have become more varied, if not more enjoyable and worthwhile.

The first event on the À Jamais social calendar was the annual initiation of new members, held this year at Kiest Park. In November, a surprise was added to the monthly meeting by the serving of refreshments. January fifteenth, À Jamais had a four course banquet at Mr. Pepe's. To defray the cost, the members sold candy.

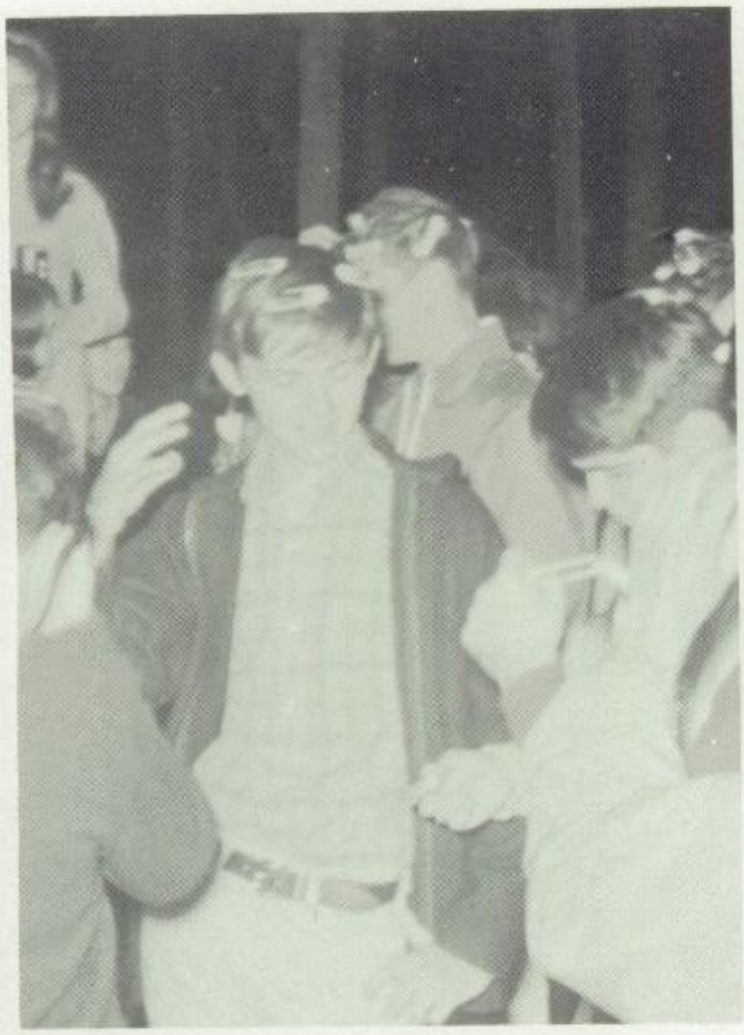
However, being a member of À Jamais does not consist of all frivolous activities. Gifts were donated to the Travis State School to make Christmas a little happier for some lonely men and boys.

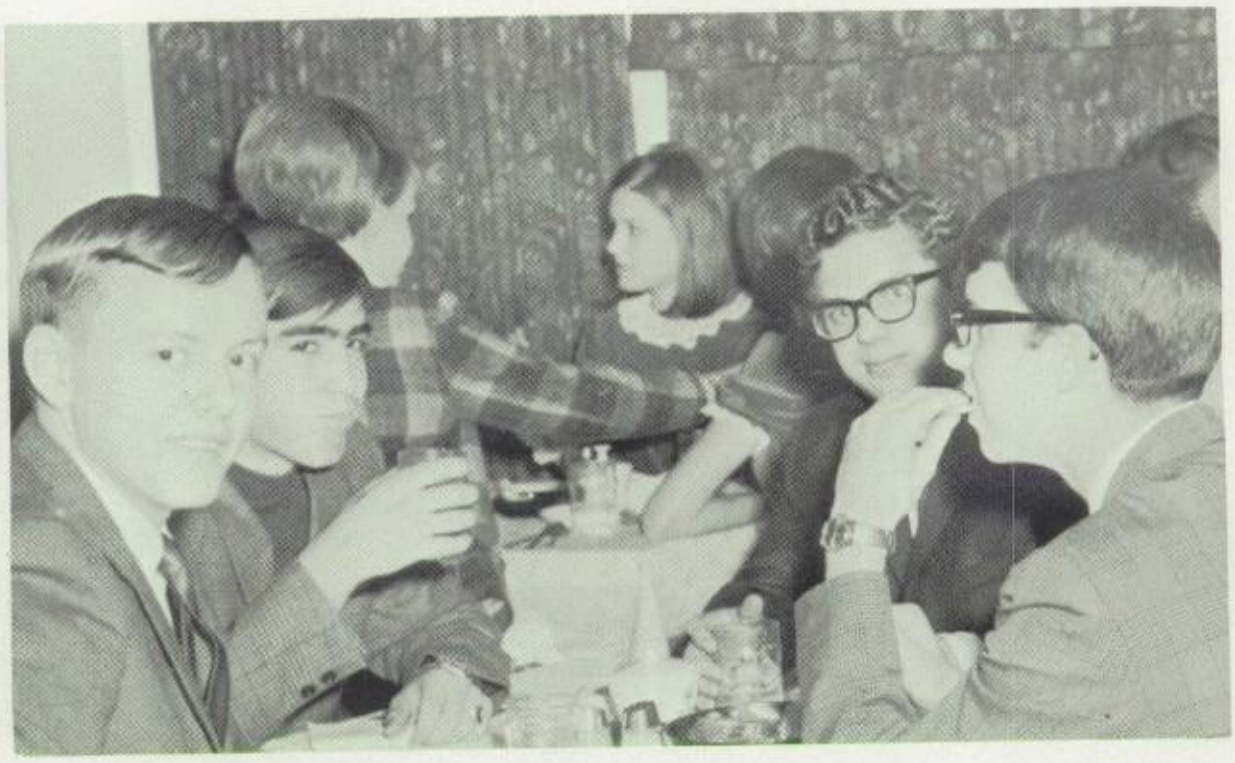
À Jamais has proven its ability to be a well-rounded club—they even provided representative "cheerleaders" at the S.O.C. assembly.

Gay Peterson, Holly Huber, and Jennie Shelby sample refreshments served at A Jamais meeting.



"Donnez le rouge, donnez le rouge, donnez le rouge, rouge, rouge!"





Tony Luckie, Bruce Smith, Bill Conley, and Bill Miller enjoy the food at Mr. Pepe's.

Boys at the À Jamais initiation will be ... boys?

The members of Allerlei really have brotherly love. This is shown by their frequent parties and get togethers. There was the annual skating party and of course in the spring the annual golfing match against the French club. For Christmas their schedules included caroling for Veteran's Hospital and a party at Steve Tobolowsky's house.

All of these activities bring Allerei members closer together. In this way, they are able to share their love for Germany and its language.

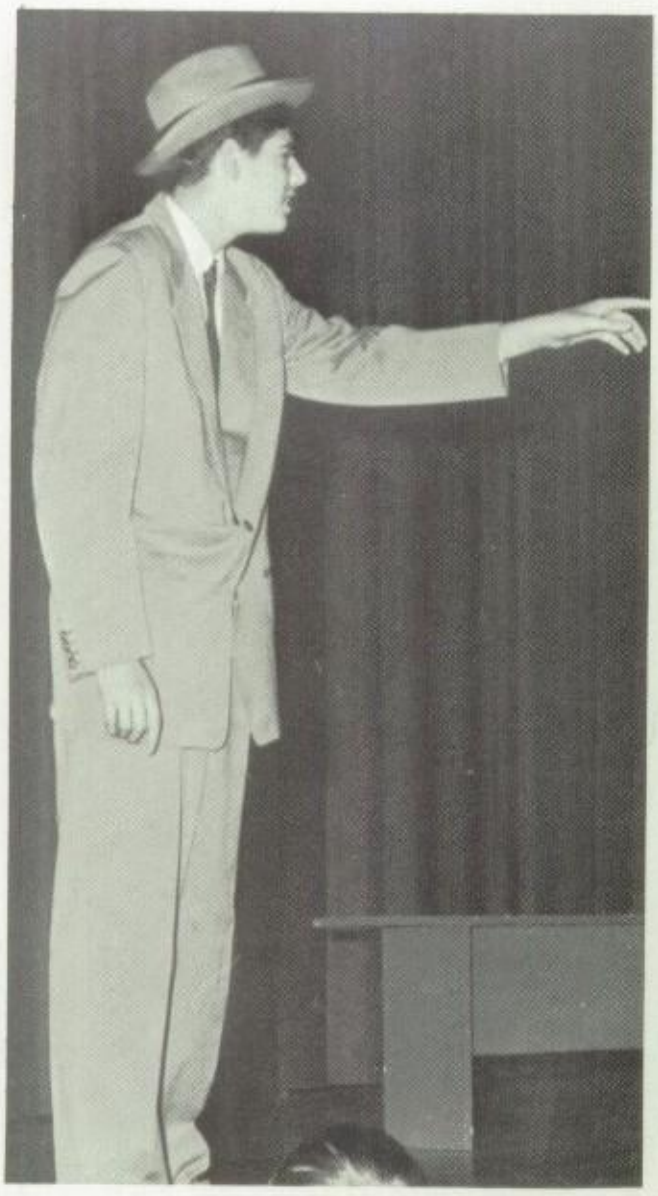
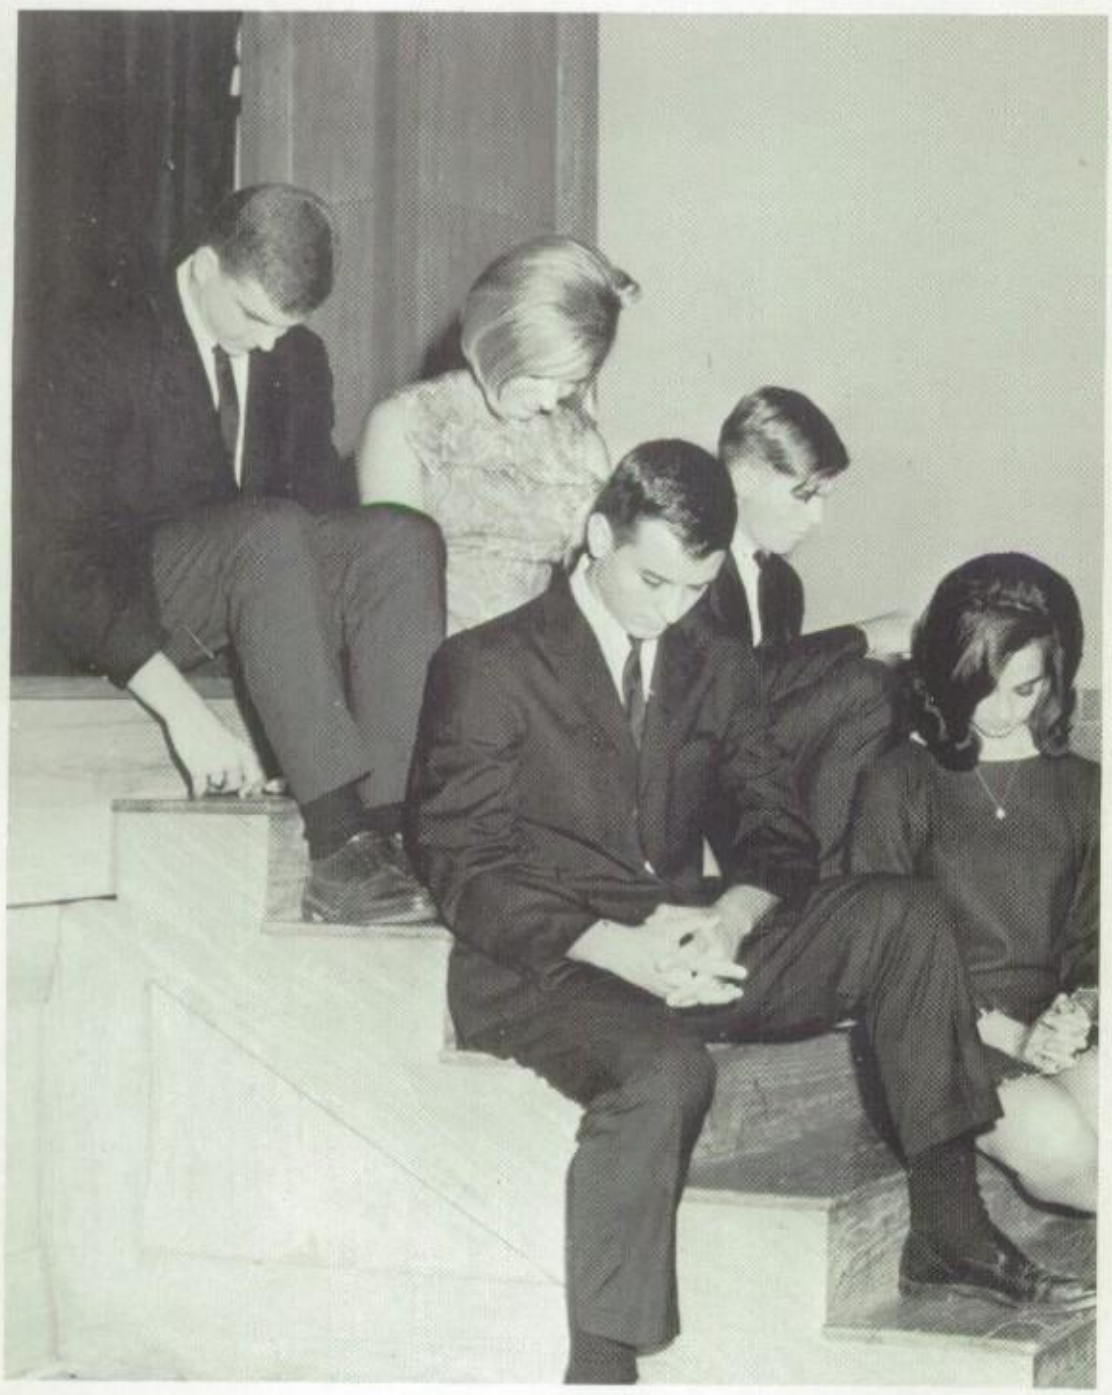
Thespians Exhibit Varied Talents



Kimball Thespians have various talents, hobbies, and interests.



An original play by Steve Tobolowsky is presented to parents at their September meeting.

National Thespians have presented various productions throughout the year which have entertained and educated Kimballites. In the fall, their presentation was *Our Town.* For Thanksgiving their production of Spoon River Anthology was given.

Darien McWhirter, President, is also a vital part of National Forensic League. Many times you may see Kimball's Thespians still working on their shows far into the nights.

Kimball's National Forensic League, under the leadership of Mrs. Mary Curtis, has brought many national honors to Kimball. The NFL was formed to promote the speaking arts. Students wishing to obtain membership in this club must gain points by participating in forensic events. Trophies are presented to the outstanding speakers in this club. National Forensic League members enjoy the many extra-curricular activities, including banquets and parties.

Mrs. Curtis gives words of encouragement before the first round of competition.

Concert Choir Presents "How to Succeed in Business Without Really Trying"

The 1967-1968 Concert Choir

Lisa Pettijohn, winner of American Airlines' Music to Dawn vocalist award.

Good Tyme Singers

The 1967-1968 Kimball Concert Choir has achieved perfection that out does all previous efforts. From caroling at Methodist Hospital, to performing for the Rotary Club, to presenting a Christmas program at the school, to the production of "How to Succeed in Business Without Really Trying" . . . the Concert Choir always seeks and finds the best.

The Kimball Concert Choir has several outgrowths. One of these is the New Tyme Singers, a select chorus within a chorus. Another is the Girls Chorus.

An honor was given to one of the members of the Concert Choir. Lisa Pettijohn was awarded the American Airlines' Music to Dawn award for the best vocalist. This reflects the excellence denoted by the Kimball Concert Choir.

Justin F. Kimball's Orchestra, led by Mr. Steve Bayless, is not only a symbol of talent, but also a symbol of success. Eight members of Kimball's Orchestra were selected to participate in the Dal-Hi Symphony on December 9, 1967. As the result of this symphony, Kimball brought home two of the three possible scholarships. Lisa Pettijohn, in solo competition, and Martha Ing, in string instrument competition, each received a $500.00 American Airlines "Music 'Til Dawn" Scholarship.

Among Kimball's activities, the musicals are the most time consuming for the orchestra. In this year's musical, "How To Succeed In Business Without Really Trying", the orchestra worked in connection with the Concert Choir, choreographer, and Dance Club. Special assemblies throughout the year, including Thanksgiving, Christmas, and Armistice Day, exhibit talents of the Kimball Orchestra.

Mr. Steve Bayless displays the directing technique which aided in the success of the Christmas program.

Under Miss Hayes' direction, the Orchestra accompanies the choir during the Armistice Day Assembly.

The Orchestra joins with the Concert Choir to produce special assemblies.

Kimball Knight Band Honored in State Contest

Justin F. Kimball's Band has once again excelled all expectations. This year's KNIGHT BAND has brought statewide glory to Kimball by winning Second Division at Bell Marching Contest. The Band was also invited to march in the State Fair Parade and The Torchlight Parade.

Under the leadership of Drum Major David Burns and Assistant Sterling Proctor, the band executed flawless drills to the sounds of such favorites as "Summer in the City", "Shot in the Dark", "Fever", and "Black is Black." Mr. Chambers, the Band Director, proved his talents by conducting the band to success.

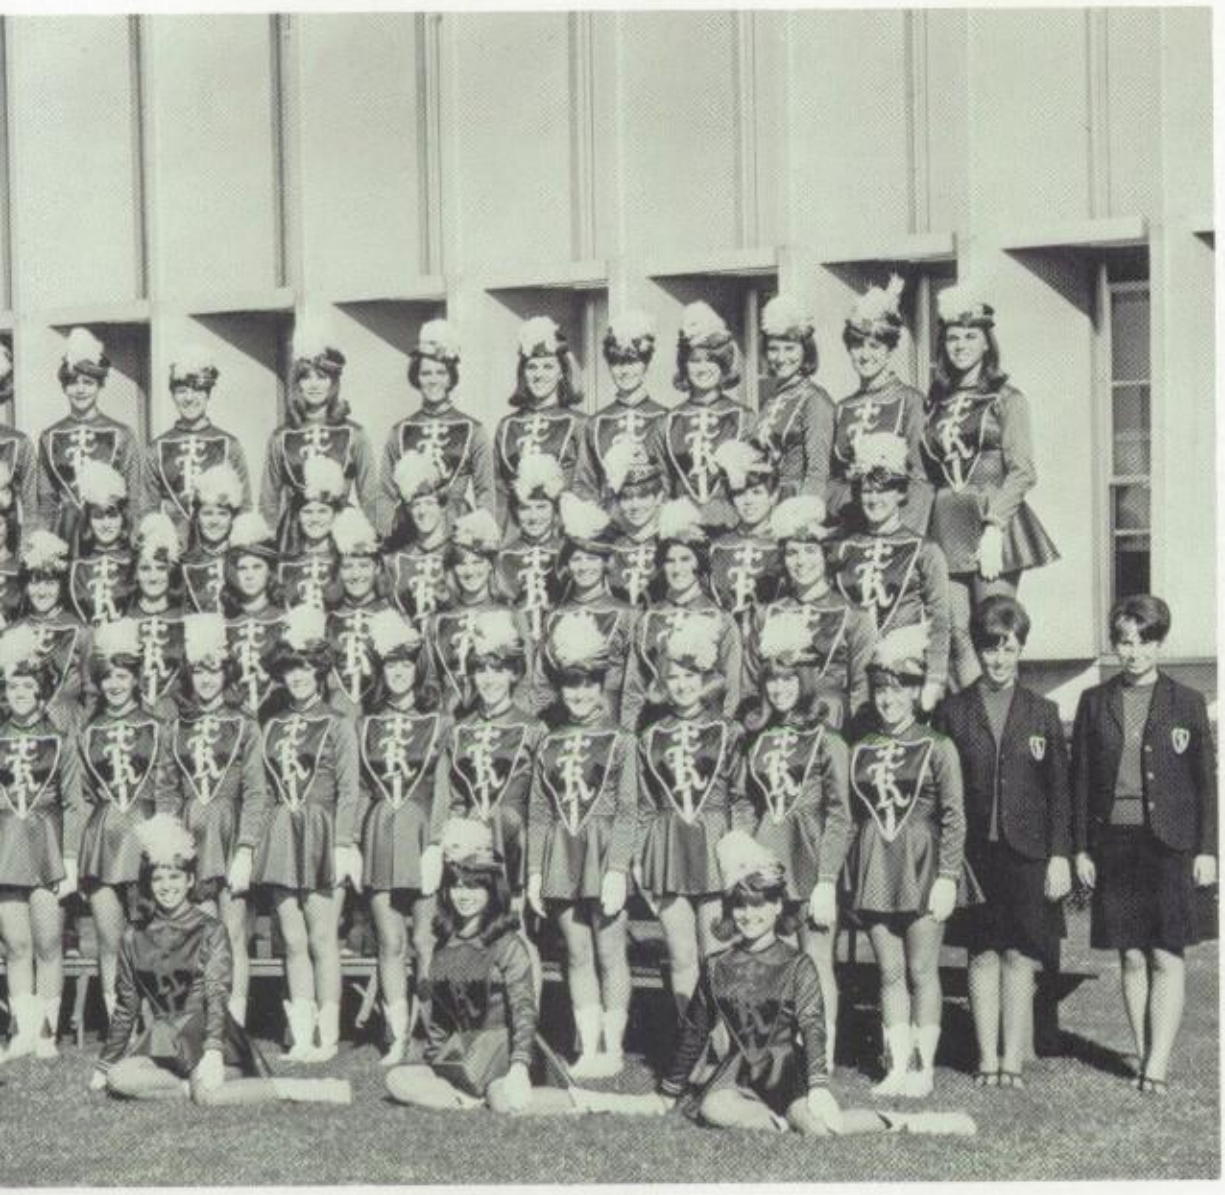
Troubadears March in Torch Light Parade

1967-1968 Troubadear officers: Holly England, Ann Buchan, Pat Byers, Captain Margaret Heflin, Karol Hoeffner, Paula Davis, and Sandra Waters.



Troubadears always portray true Kimball spirit.

Being a Troubadear is hard work and requires great sacrifice, but the rewards counteract these factors. To be able to perform to music such as "Summer in the City," "Cabaret," "Walk on the Wild Side," and "Black is Black" gives not only much self-satisfaction, but enjoyment to the audience. The Troubadears proved this by marching in the Torch Light Parade.

After the annual Spring Branch Memorial game, the Troubadears threw a party for the Mustangs of Spring Branch. Although no one from Spring Branch showed up, it was a thoughtful effort by the Troubadears.

The Troubadears have always been a proud tradition of Kimball, and the 1967-1968 group is no exception.

Future Homemakers Help the Under Privileged at Christmas

Carol Morrow and Tina Medaris await their initiation.

Stressing the importance of the future as a wife and mother is the primary purpose of the Future Homemakers of America. Guest speakers and special programs help the girls form opinions and plans for the future.

Fund raising campaigns have been included in this year's activities for the F.H.A. in order to sponsor a Scholarship Fund. The scholarship is awarded to a senior girl to attend the college of her choice and continue her Homemaking Education. A portion of the F.H.A. treasury was also used at Christmas to fix baskets filled with food and small toys for needy West Dallas families.

Since Dallas was the site of the FTA state convention, Kimball's chapter was well represented. Before this event, the Future Teachers sold candy in order to raise money for Christmas gifts given to needy individuals. Among other activities of the Future Teachers were initiation and spring banquets and workshops in Ft. Worth. In order to receive experience in the teaching field, FTA members worked as student aids to teachers.

F.T.A. members go through a very unusual initiation.

During the F.T.A. officer installation, President Joyce Turbeville lights the candle of knowledge.

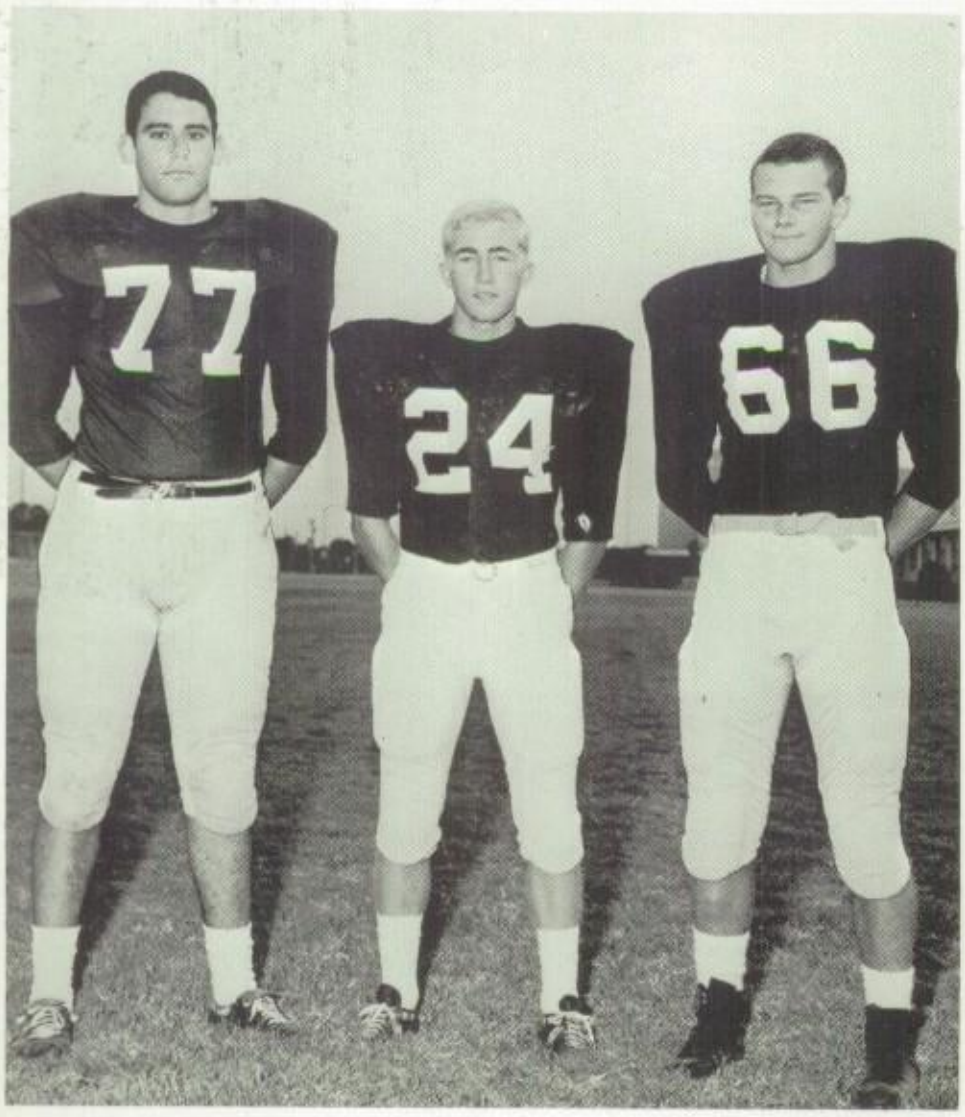
Knights Place Fourth In District



TRI-CAPTAINS: Stan Guzick, David Robbins, and Tommy Richardson.

Snakebit is the term used to describe Kimball's 1967 season. Although the Knights record was 4-5-1, with a few deserved breaks, Kimball would have been fighting for the championship. A missed extra-point, a fumble, an error in the official's rulings, and a punt returned for a touchdown cost the Knights three district games.

Despite not winning the championship, Kimball had a successful season. The upset victory over Woodrow Wilson was Kimball's first victory against the Wildcats in three years. The initial victories over Carter and Washington also brought glory to Big K. However, a team's success can not be determined by victories alone. The spirit and attitude of the school made this season a successful year.

Many individual honors were received by the Knights. David Robbins was selected on the first team All-City and All-Metro Teams. Ralph Fulton was chosen first team All-City and Honorable Mention All-Metro. Also honored as Honorable Mention All-City were Stan Guzick, Ray Cox, and Mike Atnip.

Memorial Takes Opener, 14-0.

First game mistakes hit the Knights as Spring Branch Memorial ran back the opening kickoff 57 yards before Darrell Daniel made the saving tackle at the Knight 32 yard line. Three plays later, the Mustangs scored to take the lead 7-0. However, the spirited Knights fought back against the larger and faster Mustangs. Twice in the third quarter Kimball drove to the Mustang's one yard line, but were unable to push across for the touchdown.

Leading the offensive charge for the Knights were "Ironman" Mike Atnip and All-State Candidate David Robbins. Atnip carried the ball 33 times for 96 yards while Robbins gained 62 yards in five carries. Although state-ranked Memorial was able to score again in the final minute of play, the most noticeable thing about the game was the way the Knights came back, something they became noted for the remainder of the season.

Pass Fails, Knights Fall, 7-6.

For the second straight week the Knights faced some Mustangs, but once again the outcome was similar. Kimball started strong as they forced Roosevelt to punt on the first series of downs. David Robbins received the punt and returned it to the Mustang 35 yard line. From this point, the Knights drove to the Mustang seven before the drive stalled.

After this opening series drive, the Knight offense had little to cheer about. It was the stingy defense that held the game intact. Only once did they falter long enough to allow a 50 yard touchdown pass with 38 seconds remaining in the half. Kimball's lone tally came in the final stanza on a 75 yard pass interception return by Terry Bilhartz. However, once again the Knights were unable to make the big play. Gambling on the two point conversion attempt, Greg Duffey's pass to John Hummel fell incomplete. The game was over.

Knights Slaughter Bulldogs, 40-0.

After two frustrating defeats, Kimball finally broke loose. No mercy was given as the Knights slaughtered the North Dallas Bulldogs in the High School Game of the Week.

Kimball's offense wasted no time as Jimmy Lee scored on a three yard run with just 2:08 gone in the game. Moments later, Mike Atnip dove over from the one for the second Kimball tally. After the ensuing kickoff, the defensive charge forced the Bulldogs to punt. Safety David Robbins promptly returned the kick 50 yards for the score.

In the second quarter, the "Weapon" Wayne 'Kofnovec rambled 29 yards for the score. Lee continued the rout on an eight yard touchdown run before Kofnovec ended the scoring on his four yard dive. When the final gun sounded, Kimball had over 400 yards total offense while holding North Dallas to only 25 yards. Defensive standouts for the Knights were Tommy Richardson and Stan Guzick.

However, Atnip was not the only Kimball standout. Richard Salomon set a new Kimball record, by kicking three field goals—all in the second quarter. Other scoring for the Knights included a 13 yard touchdown run by David Robbins, and an eight yard scoring blast by Jimmy Lee. Ray Cox led the defensive charge as he made 11 unassisted tackles and picked off a Washington pass. The victory left the Knights with a district record of two wins and one defeat.

Colonels Trip Knights, 20-6.

From the opening kickoff, South Garland dominated the action as the Knights made their worst showing of the season. The Colonels scored two first half touchdowns, then held back Kimball's counter attack to whip the Knights 20-6. Greg Duffey saved Kimball from being shutout, by scoring on a three yard run. The Knights only other serious threat came late in the game as Kimball penetrated inside the Colonels 10 yard line. A timely pass interception by South Garland ended Kimball's hopes for a victory.

Knights, Leopards Deadlock, 0-0.

Only an error in the official's ruling possibly separated the Knights from a deserved victory and a disappointing tie. The tragedy occurred early in the third quarter with the score deadlocked at 0-0. Kimball returned a punt and promptly marched to the Leopards one yard line. On a fourth down gamble, Quarterback Greg Duffey dove over for the apparent score. However, a pushing penalty was called on the Knights. Instead of Kimball receiving a final attempt after the five yard penalty, the officials, by their error in the rulings, gave the ball to Adamson. The mystery of whether Richard Salomon would have been successful on a routine field goal from the six, will never be answered.

The remainder of the game was a highly contested defensive battle. Ray Cox and Ralph Fulton were standouts on defense. The game ended as Salomon's 57 yard field goal attempt was wide to the left.

Knights Upset Wildcats, 7-6.

Kimball, combining a last minute touchdown and extra-point with a great defensive effort, was able to upset the zone favorite, Woodrow Wilson Wildcats. Through the first 45 minutes of play, the Fighting Knights dominated action, yet trailed 6-0. Three times Kimball drove inside the Wildcat ten yard line before their drive failed. David Robbins returned a punt 75 yards for the apparent score, only to be nullified because of a clipping penalty. Despite these disappointments, the Knights kept coming back.

With just three minutes remaining, Kimball began its game winning march. Greg Duffey climaxed the drive when he scored from the one with 41 seconds remaining. Richard Salomon's PAT ended the scoring and gave Kimball its first victory over Woodrow in three years.

Bisons Roll, 10-0.

A homecoming crowd of 9,500 fans watched the Knights host the undefeated Sunset Bisons. For three quarters, Kimball surprised the Bisons as the Knights marched across the field, yet never able to push over for the score. During this period, Kimball's defense, led by Ralph Fulton, David Robbins, and Stan Guzick, kept Sunset's offense bottled up deep in their own end of the field, while allowing the Bisons only six first downs.

Early in the final quarter, Sunset managed their lone drive for a score. Kimball's comeback attempts were nullified by losing two fumbles, and a couple more pass interceptions —all in the fourth quarter. The final fumble set up Sunset's game clinching field goal that came with 48 seconds remaining in the game.

Kimball opened the series with the newest member of District 6-AAAA in fine fashion by blasting the Carter Cowboys 22-10. For most Kimballites, this victory was the highlight of the 1967 campaign.

William Poe started the scoring for the Knights with a safety by blocking a Cowboy punt out of the endzone. Early in the second quarter, Mike Atnip increased Kimball's lead with an 18 yard touchdown run. After a Carter field goal, Kimball began a 70 yard drive that was climaxed on a 12 yard touchdown pass from Greg Duffey to Melvin Wadle. The Knights final score came on a one yard plunge by Wayne Kofnovec.

Knights Fall In Finale, 14-8.

In the final game of the season for both teams, South Oak Cliff squeaked past the Knights on a field that contained nearly as much water as earth. Throughout the entire first half, the Knights looked about like the weather as they allowed the Bears two easy touchdowns. The first Bear score came on a 43 yard punt return. Their second tally came after a Knight fumble on its own one yard line.

Something happened during halftime, however, and Knights returned to action like a new team. Kimball started its comeback by scoring a safety when Jon McIver blocked a S.O.C. punt in the endzone. Moments later, Greg Duffey dove over from the one to make the score 14-8. With seconds remaining, Kimball drove inside the Bear 15 yard line before losing the ball on downs. This game was a fitting ending for a team that dominated statistics in nearly every contest, but could not seem to come up with the big play and breaks that are necessary for a title winner.

Squires Post Best Record in City

For the third time in Kimball's ten year history, the Squires took the B-Team City Championship. Only the loss to Mesquite's Junior Varsity prevented the Squires from a perfect season record.

From the opening game, Kimball completely dominated other city competition. The Squires piled up a fantastic 275 points while holding their opponents to merely 94 points. Kimball's offensive charge was led by Dickey Morton, Bobby Joyce, and Gary Johnson. Morton alone accounted for 21 touchdowns in the ten game schedule. Defensive standouts for the Squires were Ronnie Bridwell, Marc Welch and Cliff Willis.

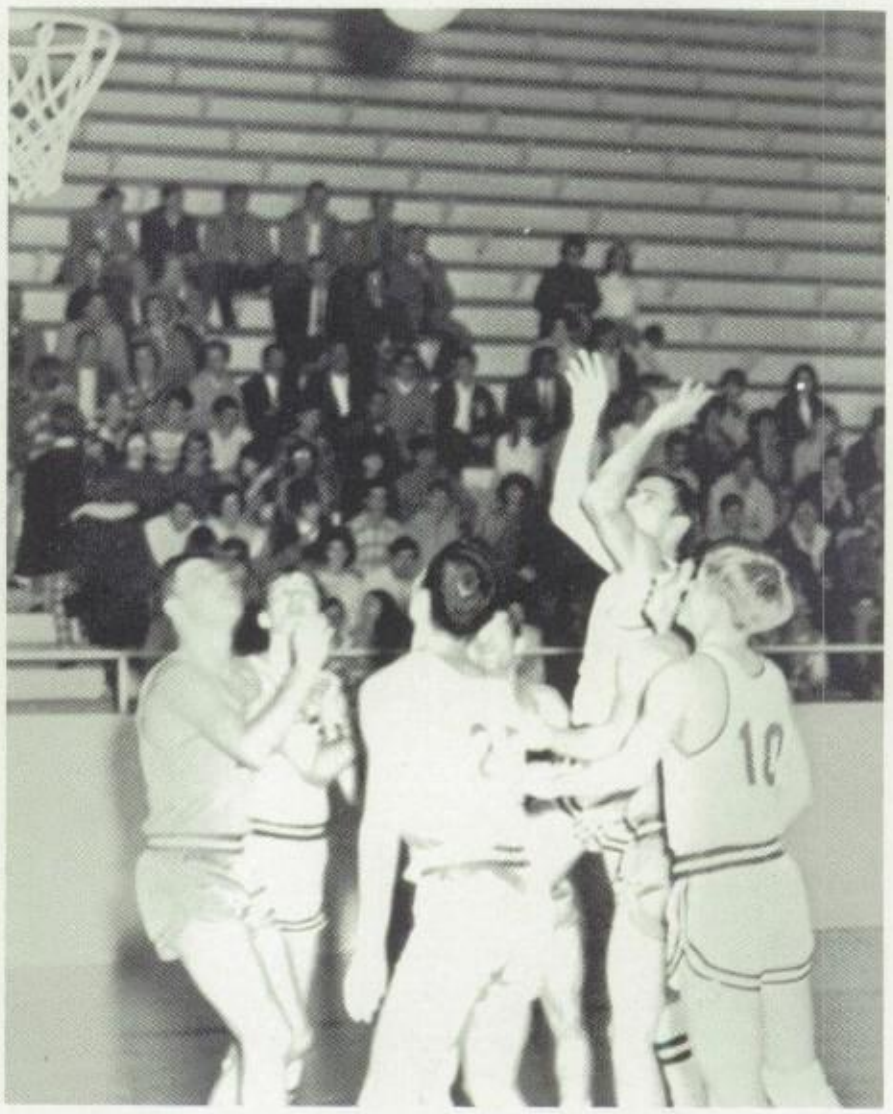
**District Play*
***City Play*

In previous seasons at Kimball, the key word for the year was almost. But in 1968, the key word was perfect. Twelve wins and no defeats in district play and finally a South Zone Championship.

Kimball had all the ingredients for a great season: leadership, teamwork, and talent. Team leadership was provided by all the seniors, particularity by Kimball's big four composed of Bobby Rollings, Alan Lacy, David Koch, and Tom Hood. But to any spectator, teamwork was the Knights most obvious asset. Kimball's starting five was often praised as the best executing team in the city.

Kimball was not lacking in post season individual honors as four Knights were nominated for All-City. Rollings became the first Kimballite to be selected first team All-City. Lacy was close behind by being chosen to the second team, while Koch and Hood received honorable mention All-City. But Kimball was not just a four man team. Juniors Denny Beall and Robert Long increased the Knights depth with their ball-handling and rebounding abilities.

Despite these important qualities, Kimball would not have achieved their success without Coach Lewis Orr. In his first season at Kimball, Coach Orr led the Knights through a perfect district schedule and a 28-4 season record. As a final compliment, Coach Orr was chosen Dallas' Basketball Coach of the Year, an honor rarely received by a rookie coach.



Towering Tom Hood puts in two points in a district contest against Carter.

Displaying the fact that the best was yet to come, the Kimball cagers jumped off to an impressive 15-2 pre-season record. After a thirty-five point victory over Woodrow Wilson, the Kimball five won seven consecutive outings. This included the championship in the Highland Park Tournament. A disappointing defeat took place in the Arlington Classic, but after reactivating their original stamina, the Knights proceeded in taking the consolation championship.

Defeat remained a rarity as the team won eight in a row until a loss occured in the Dr. Pepper Tournament to Abilene. All in all, the Knights prepared themsleves well for the upcoming district action.

Entering district play with a 13-1 record, the Knights opened the race for the South Zone Championship with a shaky 65-57 victory over Adamson. The Leopards led by 10 points at halftime, but the Knights nudged out front late in the third period, and then fought their way to victory. Following the Christmas holidays, Kimball continued their winning ways with an easy 78-58 victory over Carter.

It was Kimball's ability to cash in at the free throw line that propelled the Knights to a victory over Roosevelt. All scoring records were broken as Kimball won 99-84. Lacy led individual scoring honors with 30 points, while Beall had 27.

Three days later Lacy again led the scoring with 28 points as Kimball whipped Sunset 64-51. However, it was Koch that kept the Knights alive with his 18 points in Kimball's next victory over South Oak Cliff. Kimball ended its first round play by blasting Crozier Tech 66-34. Reserve Mark Finley led the scoring with 15 points. The victory left the Knights with a 22-2 record—the third best in the state.

Kimball continued its winning streak into the second half by edging Adamson 58-54. Rollings timely 22 points kept the upset-minded Leopards out of reach throughout the game.

After next defeating an outclassed Carter team 91-70, the Knights prepared themselves for the most crucial Zone game of the year which was against Roosevelt. But with Hood grabbing 19 rebounds, and Lacy and Rollings putting in 27 and 21 points, respectively, Kimball had little trouble in beating the Mustangs 84-69.

In the fading minutes of the game against Sunset, Kimball had to show its poise as they held on to a 54-50 triumph. The victory clinched the South Zone Championship for the Knights.

After having won the South Zone, Kimball finished its schedule in fine fashion by walking over Crozier Tech and South Oak Cliff. Robert Long came off the bench to lead the Knights with 13 points against the Tech Wolves, while Rollings had 29 points against S.O.C. With a perfect zone record behind them, the Knights prepared for the city playoffs against Thomas Jefferson.

But everything good has to come to an end, and for Kimball this ending came a little too soon. Despite posting an undefeated Zone campaign, very few people gave the Knights a chance against the taller Jefferson Rebels. Throughout the first 30 minutes of action, Kimball proved everyone wrong as they out-rebounded, out-shot, and outscored the Rebels. However, with less than two minutes remaining, Kimball's hopes for a city title began to crumble. Within 30 seconds, Jefferson took advantage of several costly mistakes, and scored three quick field goals to take the lead which they never again relinquished. Bobby Rollings ended his Kimball basketball career with a marvelous performance by leading the Knights in scoring with 25 points. The loss ended Kimball's season with a record of 28 wins and 4 losses.

Sophomore Prospects Brighten Varsity Future

Exciting things are promised to continue in the future for Kimball basketball. Despite the talent displayed by the upperclassmen this season, several sophomores received valuable experience on the varsity team. These sophomores were Jimmy Moffett, Eugene Stoner, and Paul Walker.

Besides these standouts, Coach Spike Harlan's B-Team will bring talent aplenty to help support varsity play in the future. This year's team, led by Steve Carter, posted a respectable 4-4 record.

After an exhausting victory, the Knights enjoy a refreshing drink of water.

With the loss of five starters and an All-City pitcher from last year's city championship team, Kimball's chance of repeating the championship seemed small. After dropping two of their first three American Legion games, Coach Miller's Knights realized something must be done.

Beginning with the fourth game of the season, the young Knights came of age. This one to zero victory over Sunset changed the tide and returned to Kimball its winning tradition. Following the Sunset game, Kimball rallied for ten consecutive victories and the West Division American Legion Championship.

On July 22, Kimball began a three game series against R. L. Turner for the Division Championship. Kimball won the first game five to one, lost the second six to one, but won the Championship from a thrilling come-from-behind victory of three to two.

Kimball completed its season playing college teams for the Regional Championship. In a fierce, drawn out twelve inning contest, Kimball edged Longview in the first round play. After this victory, only one game separated the Knights from the state playoffs. However, the weary Knights fell to the more experienced team from Arlington Sam Houston.

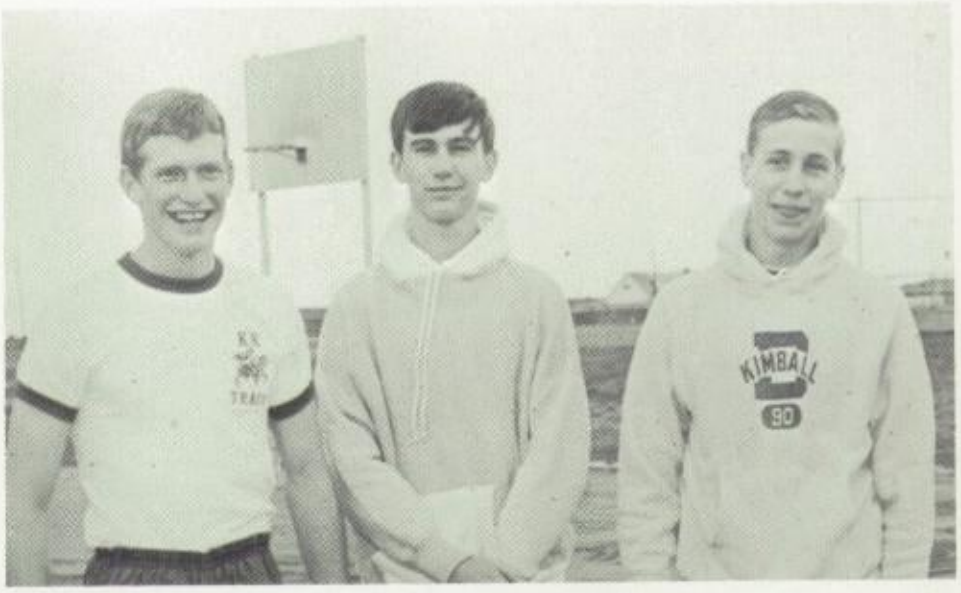
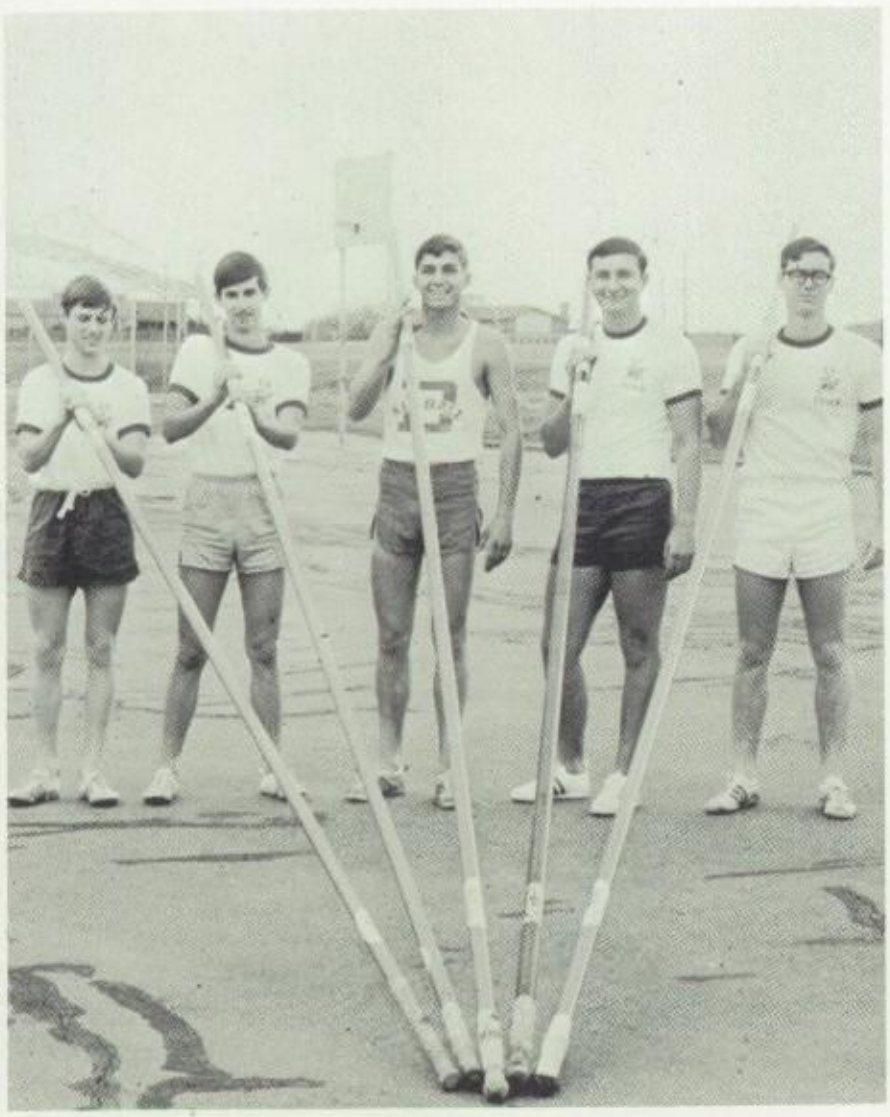
ROW: John Holiday, Ron Streubeck, Marc Gutzler, Marc Wilhelm, Bruce Stephens, Billy Wakefield, Pat McBee, Scott Hammans, Mike Edgar, Ricky Werstein, David Lacy, Mike Hines, Glenn Bell, Steve Barboza, Pat Huff, David Kemp, Elbert Shafer, Jim Pharr, Tommy O'Donnel, Paul Walker, Steve Pollard, Norman Kassel, Tim Hartman, Gary Johnson, Dickie Morton, David Smith, John Pace, John Ott, Andy Marr, Bruce McLeroy, David Chancellor and Coach Milton South.

The 1968 Kimball Track Team has a tough record to follow. The 1967 Track Team won district and regional, and went on to become third in the State Meet. Led by Coach Milton South, who was nominated as best coach in the state last year, high jumper (6'7") Hank Byrd, quarter miler Allen Dixon (third in state), hurdler Scott Moore, and the mile relay team composed of John Hummel, Glen Bell, Barry Toombs, and Allen Dixon were primarily in the spotlight.



High-Jumpers, Ralph Fulton, Eugene Stoner, and John Pace, strive to top Hank Byrd's 6'7" jump.



Pole-Vaulters, David Lee, Jody Mansfield, Gary Lloyd, David Lacy, and Pat Huff, enter into friendly competition.

Broad-Jumpers, Rickey Davis, Bud Mann, and Mark Hedges, put their best foot forward.

Mile Relay men, Scott Hammons, Darrell Daniels, John Hummel, and Glen Bell attempt to maintain last year's standings.

Darrell Daniels, Randy Morris, Melvin Wadle, Glenn Bell, and Scott Hammans are each prepared to accept his 110 yards in the Sprint Relay.

Distance Men Ruben Cantu, Duke Halle, David Kemp Pat McBee, Randy Alexander, Brian Jones, Elbert Shafer, Mike Atnip, Tommy Helsley, Kenny Thompson, Tommy DeRossett, and Ronnie Streubeck accept the arduous task ahead.

The Kimball Track Team, after such a fine season last year, was predicted to be among the top teams by *The Dallas Morning News*, especially with the excellent relay teams and quarter-miler Glen Bell.

The track team began proving this early by starting off the season with a second place team trophy at the R. L. Turner Relays. With 64 points, they barely missed first place, held by Arlington with 66 points. Glen Bell won the 440, breaking the record with 49.9 seconds. John Hummel came in second in the 880 yard run. Pat Huff and Gary Lloyd came in second and third, respectively, in the pole vault.

WEIGHT MEN: Steve Pollard, Mike Sanquinet, Wayne Kofnevec, John Ott, Andy Marr, Mark Wilhelm and Stan Guzick.

Arvel McCulloch, Steve Barboza, John Hummel, and Glen Bell, Mile-Relay men competed well in the Carrollton Relays.

Knights Successfully Defend City Crown

Sophomore tracksters, Paul Walker, Dickie Morton, Tim Hartman, Gary Johnson, and David Gillespie prepare to lead future teams.

Sophomore Sprint Relay Men, Cliff Willis, Dickie Morton, Norman Kassel, and Bruce McLeroy await their years on the varsity.

Sophomore Milers also prepare for varsity honors.

Knights Finish First, Second in District Meet

In his first year of coaching, Coach Alan Mills is determined to uphold the winning tradition set by two previous district championships. Consistent shooting in the low 70's by captains Rusty King and Bruce Digiacinto help to make Coach Mills job easier. Holding down the number three position is sophomore sensation Marc Welch, a promising figure for the future as well as the present. Competing for the fourth position are capable seniors Craig Donley and Phil Erwin.

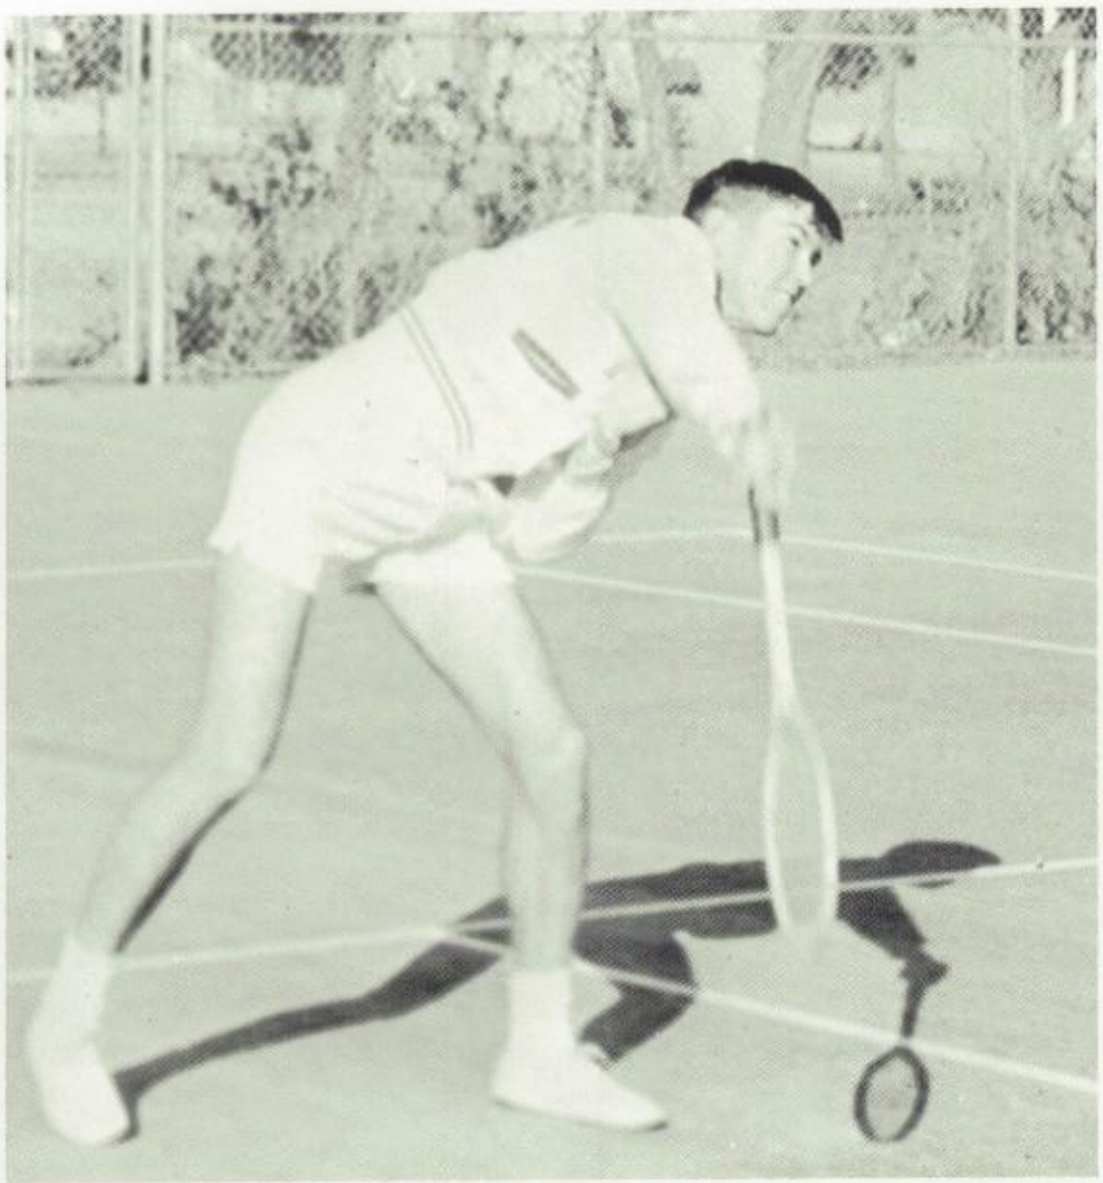
Knights Undefeated Through Non-District Play

With all the boys and most of the girls returning from last year's city championship squad, Kimball is once again favored in the city series. Kimball demonstrated this dominance over other city competition by breezing through pre-district matches with a perfect 13-0 mark. These matches included double victories over Highland Park, Irving, Grand Prairie, and arch rival Sunset. This pre-district record is a preview for the victories that will follow.

Mr. Martin and Mr. Lewis coach the tennis team through an outstanding season.



Joe Layman executes the overhead slam in a practice match.

Tommy Connell follows through with a forehand shot over the net.

Jerry Smith returns the most difficult shot in tennis—the backhand.

Netters Win City Title

Although these Knights may be lacking in size, their quickness, agility, and dedication to the sport make them winners. When Joe Layman transferred to Kimball in 1966, Kimball gained possibly the best singles player to come from the school.

Teamwork is the basic asset to the boys doubles team. When playing separately, both Tommy Connell and Jerry Smith have their specialties and faults, but when placed together as a team, they are unbeatable. This combination is no surprise to Kimballites for they have been playing together as champions since junior high school.

Swimmers Possess Hopeful Spirit

Kimball's Swim Team anticipates a winning season under the new and able guidance of Coach Rust. The Team is composed of mostly new, but well skilled members. Of the fourteen members, only three, Rick Adkerson, Bob Haydin, and Matt Gower, are seniors. Under the leadership of Captain Rick Adkerson and through long hours of hard work, the Swim Team will certainly excel.

Sports Curriculum "Always Seeks the Best"

Kimball's sports curriculum upholds the school motto, "We Always Seek the Best", not only with winning seasons but with first rate athletes as well. Displaying team cooperation, both tennis and baseball teams received city championships. District championship in golf, regional in track and zone in basketball continue the winning streak of Kimball.

SUMMER

A Season for Everything . . .

Man has learned from a well-known verse that "To everything there is a season," meaning a suitable time. With the changing of times comes different activities—"a time to weep; and a time to laugh; a time to mourn; and a time to dance."

In the same way, each season, whether it be fall, winter, spring, or summer, brings different activities to Kimball. A year at Kimball can best be described as a kaleidoscope with an unending variety of functions. Throughout the year students participate in programs displaying their dramatic, musical, or athletic talents. Students are involved in both amusing and elaborate, sophisticated entertainment. This section of the *Excalibur* records Kimball's kaleidoscope of student activity.

FALL

September
October
November

Summer vacations, jobs, and carefree leisure ended too soon for Kimball students. Nevertheless, the new year was ushered in at least three weeks early by cheerleader, Troubadear, Fleur-de-Lis, band, majorette, and football practices.

Sophomores and all new students got their first glimpse at Kimball on September 6. The orientation agenda included a friendly welcome from Kimball's cheerleaders, a performance by the Troubadear officers, and a speech from Mr. Durrett. The next three days were a mixture of excitement and confusion for all students. While sophomores continued in their state of bewilderment, seniors reminded them of their underclassmanship.

Football season, opening with the Spring Branch game, was exciting, but not completely successful. Pep assemblies, planned by the cheerleaders, provided a break in the daily routine and encouraged the team.

October activities included the annual day at the State Fair of Texas and assemblies spotlighting the singing group "Up With People" and Olympic star Bob Richards. The football season climaxed with the homecoming game, dance, and crowning of Cindy Armstrong and her court.

Farther into the fall season, an assembly presented by the Fine Arts and R.O.T.C. Departments conveyed thoughts of Armistice Day. With football season over, Kimball students found time to enjoy the Speech Department's rendition of "Our Town." Thanksgiving was observed by a program highlighting a presentation of the "Spoon River Anthology."

Opening a new door to their lives were the new sophomores at Kimball. The majority of them had to become acquainted with the true spirit of Kimball, and the numerous traditions established by former students once in the same position as these. After an informative session in the auditorium led by Mr. Durrett, the bewildered sophomores set out to find their homerooms, and to begin their new encounters as a Kimball Knight.

Precision of Troubadear officers added to pep assemblies.

This was a spirited year for Kimball's pep assemblies and football games. A Kimball tradition, "victory apples", was given to the football team four times, once for each game won. An innovation in cheerleading was provided by the German, French, and Spanish classes, as they led yells in their respective languages. The greatest difference in the 1967 assemblies was the prerequisite of a ticket to the football game in order to attend the assembly.

Cheerleaders, band, Troubadears, majorettes, Fleur-de-Lis, and the football team highlighted every pep assembly and game. However, it was the students that were the main component and their infamous Knight spirit.

Anxious students poured into the crowded avenues of chance games, thrilling rides, exciting exhibits, and mass quantities of food for the 1967 High School Day at the fair. Kimball was well represented among the many students lighthearted because of a holiday from school and excited by the fast pace of the state fair.

Lucky and skillful students proudly displayed huge stuffed animals and most of the unskillful found shops and souvenir stands where no chance was involved and the reward was still great. Even those who went home empty handed have memories of all the money they wasted and fun they had on Fair Day '67.

Moral Encouragement Given by Diverse Assemblies

At different times during our school year, the student body is presented with a variety of assemblies. Coming to Kimball for such an assembly was a group called "Up With People." "Up With People" is a group of high school students from countries all over the world. These students go into foreign lands promoting good will by their vibrant personalities and moving songs. The student body stood and sang along as the spirit and rhythm of "Up With People" captured Kimball.

Later, Reverend Bob Richards honored Kimball by speaking on the merit of being a true champion. Rev. Richards, twice Olympic champion gave encouragement to all and gave Kimball an opportunity to hear from a true champion. Mr. Dave Clark, Kimball's driver's education teacher, greeted his old friend with a warm welcome.

Dr. Tom Shipp came to Kimball four times this year. His speeches gave moral and spiritual guidance for our present and future lives.

"Our Town" — Demonstration of Kimball's Dramatic Talent

"Our Town", an unusual play presented with very little scenery and a stage manager to direct the action, is the story of the daily life, marriage, and death of Emily Webb. The seemingly trivial events of her life in Grover's Corners are proved to be of immeasurable importance. In November "Our Town" was staged by Kimball's Speech Department under the direction of Mrs. Mary Curtis and rated excellent by its audience.

On such a beautiful night, Emily Webb and George Gibbs find it hard to concentrate on studying.

WINTER

December
January
February

December brought honors to numerous Kimball students, ranging from the National Honor Society induction to the announcement of class favorites. By mid-December the Christmas spirit had come into conflict with the student's desire to study. Grades, which appeared either to go way up or way down, indicated the choice each had made. Sights and sounds of Christmas included pinatas in Spanish rooms, the nativity scene, and the tree in the foyer. Spirit continued with the music program directed by Sunset's Mr. White and an afternoon basketball game with a visit from Santa and the Troubadear performance.

Post-Christmas activities began on January 4 with the Junior Play, "The Glass Menagerie." Unpredictable snowy Texas weather during January provided Kimballites with a holiday—a day to study for upcoming exams (?). The Stage Band Assembly and victorious basketball games brought a break in exam study. Ending January activities on "dead day" night was the Military Ball which proclaimed senior Donna Koppes queen.

February, the traditional month of hearts and flowers, was opened with the Senior Play, "The Blithe Spirit." The *Knight Life* Staff announced Judy Morris and Stan Guzick winners of the "Beauty and Beast" Contest, while Carolyn Denson and Gary Wortham were chosen queen and king of the Spanish Fiesta. February activities neared an end when Kimball's undefeated South Zone Champ Basketball team lost to Thomas Jefferson in the triangular city play -offs.

1968 Military Ball Heralds Donna Koppes

Old-fashioned charm and pomp is often lost in the whirl of modernization. However, the Kimball Military Ball always retains the best of both worlds, and the 1968 Ball is no exception. Flashy uniforms and elegant gowns, along with military pageantry and regality, promoted January 26, 1968, into an evening of splendor. Seniors Present Blithe Spirit, a Delightful Comedy

Action for *Blithe Spirit* unfolds in Kent, England, at the home of Charles Condomine. Madame Arcati, a mystic, is invited to Mr. Condomine's home to give a séance so that Charles, an author, may expose the corruptions of mysticism.

But the situation backfires, and Charles' deceased wife, Elvira, is called back from the dead by Madame Arcati. Laughter explodes as Elvira, who can only be seen and heard by Charles, begins haunting him. She attempts to murder Charles, but by accident she kills Ruth, his present wife. Ruth reappears with Elvira, and both begin complicating Charles' life.

Charles, finally, with the help of Madame Arcati, is able to rid himself of the two nagging women and begin a carefree bachelor life again.

This year, as in the past, the teachers at Kimball take time from their busy schedules to help students in activities. Besides guidance in the classroom, many teachers spend extra hours at the school sponsoring the various clubs which meet each month. Others help with the fine arts department. Kimball has a wonderful athletic department because of the work the coaches put into their teams after school. Mr. Durrett must not be forgotten. He faithfully attends all school functions and gives a smile of encouragement.

SPRING

March
April
May

Spring seemed a long time away at the end of February as unexpected snow swept through Dallas. Kimballites enjoyed their second day from school because of bad weather. With science and math fair projects less than a week away, students welcomed such a holiday.

The Carrollton Relays on March 2 officially began the spring track season while the *Excalibur* Staff met its last "dead line" only to begin work on next year's annual. Exemplifying Kimball's beautiful pageantry was the Sweetheart Coronation on March 8. With the Southern Mansion as background, Cindy Armstrong was crowned Kimball Sweetheart; Lynda Willis, Senior Sweetheart; Cyndy Biggs, Junior Sweetheart; and Caroline Rigdon, Sophomore Sweetheart.

Highlighting the month of April was this year's musical, *How to Succeed in Business Without Really Trying*. Meanwhile spring sports teams competed in continuous tournaments usually bringing home the victories.

May was the beginning of the last school month and beautiful weather. "E" Day arrived with its usual excitement for the *Excalibur* Staff and Kimballites. Soon, envying sophomores and juniors observed a change in the seniors' schedules; practicing for Senior Day, Baccalaureate, and Commencement took the place of classes. After a luncheon, picnic, swim party, and prom, Commencement Exercises arrived on May 29. Sophomores and juniors struggled through final exams, but were comforted by summer being so near with no school and no books.

Spring Activities

Surrounded by a vernal atmosphere, the students of Kimball ushered in the new season with a grand beginning of spring activities—the coronation. Surrounded by a beautiful southern mansion, the fifteen elegant nominees were presented to the much impressed audience. With the Knight Beats playing a song of the nominee's choice the sophomore and junior candidates proceeded from the mansion's balcony onto the stage, while the senior nominees marched down the aisles and onto the stage. Highlighted first by the presentation of last year's sweetheart, Miss Kathy Armstrong, the class sweethearts were then announced. And now the climax had arrived; Who would be crowned as the sweetheart of Kimball? Slowly opening the envelope, the announcer revealed the new sweetheart to be Cindy Armstrong. Cindy, the new queen of Kimball, was crowned by her sister Kathy, and now began her reign.

Proceeding to the gym, which had become a garden wonderland, the four sweethearts and the remainder of the nominees began the grand march, a highlight of coronation activities. Again displaying their grace and beauty, the newly elected sweethearts were presented once again and Kathy Armstrong, last years' sweetheart, made her last appearance. After the grand march, students were invited to dance to the music of a nationally known band, of which Mr. Steve Bayless, Kimball's band director, was a member. With night growing on, couples danced to music and enjoyed the scenery, and Mr. Durrett and his money bag showed that coronation is indeed a profit-making activity.

Kimball Welcomes Bye Bye Birdie

The telephone hour.

Bye Bye Birdie, a modern musical comedy with music by Charles Strouse and lyrics by Lee Adams, was the 1967 presentation of the Kimball Fine Arts Department. *Bye Bye Birdie* is the story of the teen-age idol, Conrad Birdie, after he is drafted into the Army. He goes to Sweet Apple to pay final tribute to his followers and completely disrupts the normal life of the town. Led by Martha Hayes, Choral Director, Penny Spray, Choreographer, and Steve Bayless, Band Director, the Concert Choir, Dance Club, Stage Band, and Orchestra combined their efforts to produce the musical. Also, 600 Kimballites formed a card section to aid in the production of an introductory film. With so much interest and support, *Bye Bye Birdie* had to be the best musical ever produced by Kimball. However, the 1968 musical, *How to Succeed in Business Without Really Trying*, presented in April, proved to be a challenge.

Age has nothing to do with the extent of Conrad Birdie's popularity.

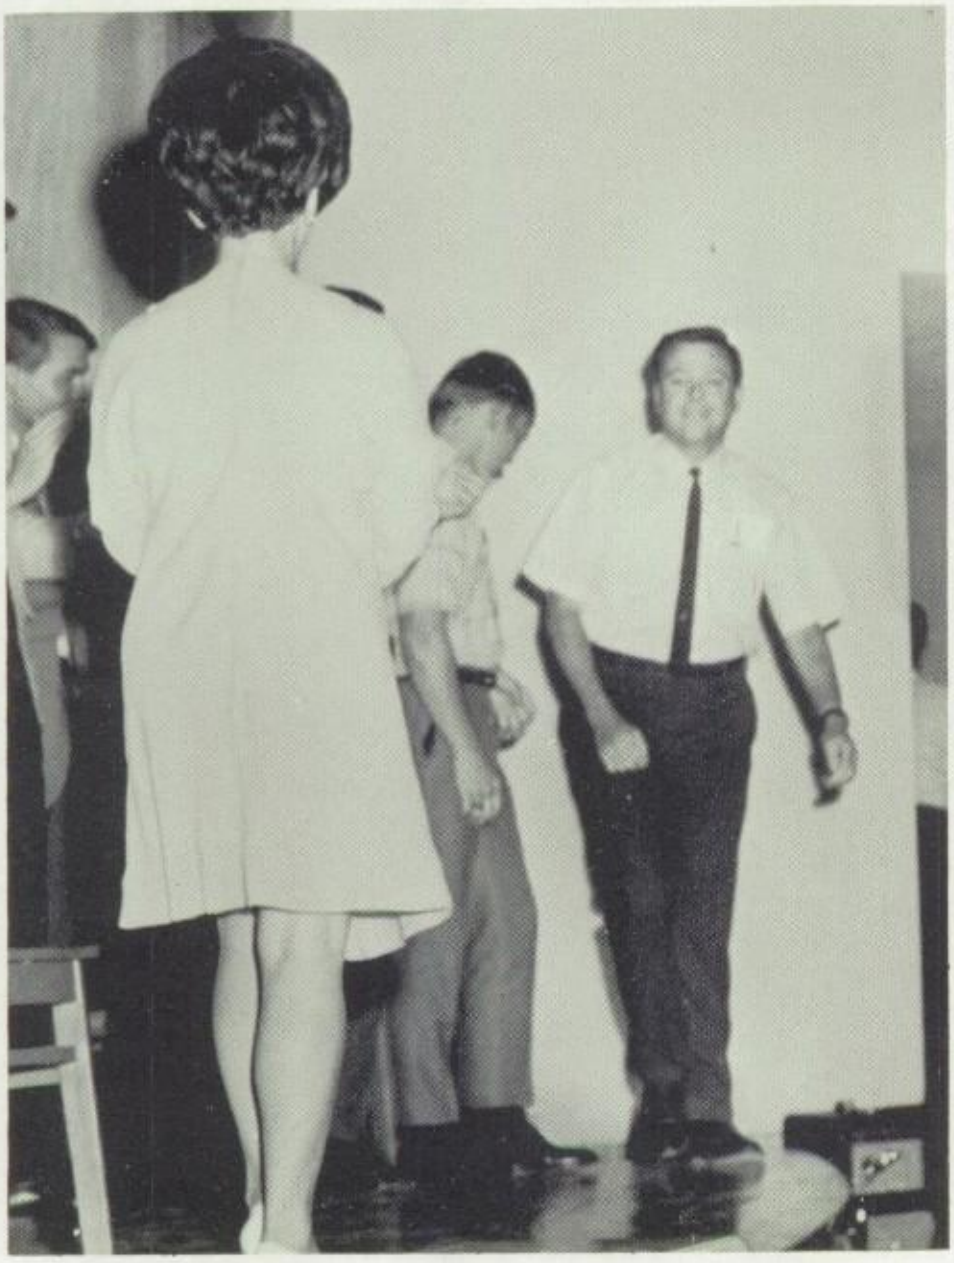
Students Applaud Excalibur



This was it! The moment that all had anticipated, especially the *Excalibur* staff. This would prove the climax to more than a year of work. How would the book be received? Would it be taken in, simply because it had been paid for, or would it be accepted with gratitude for a long task completed? As editor Leria Lewis removed the brown paper covering from the book and revealed it to the student body for the first time, each member of the staff was overcome with a feeling of pride as the book was given a standing ovation, truly a mark of gratitude.

This was E Day, 1967. Characterized also by the announcement of the Roundtable and the presentation of Mr. Shamus Mehaffie, who received a standing ovation as dedicatee, E Day was also the climax of nearly a year of waiting on the part of the students. As each student received his own copy of *Excalibur*, E Day began its glory, proving itself a memorable experience in the annals of Kimball history.

SUMMER

June
July
August

Summer days of 1967, long awaited by Kimball juniors and sophomores, arrived as an anti-climax to exams. For seniors, whose graduation ended their education at Kimball, summer provided preparation time for college, new jobs, or marriage.

Early summer job hunting had proved worthwhile when the first weeks of June came. Jobs at Six Flags, swimming pools, and stores supplied Kimball students with extra spending money. Contradictory to the rumors, Kimball teachers work during the summer in such places as the city parks, transportation companies, stores, or summer school.

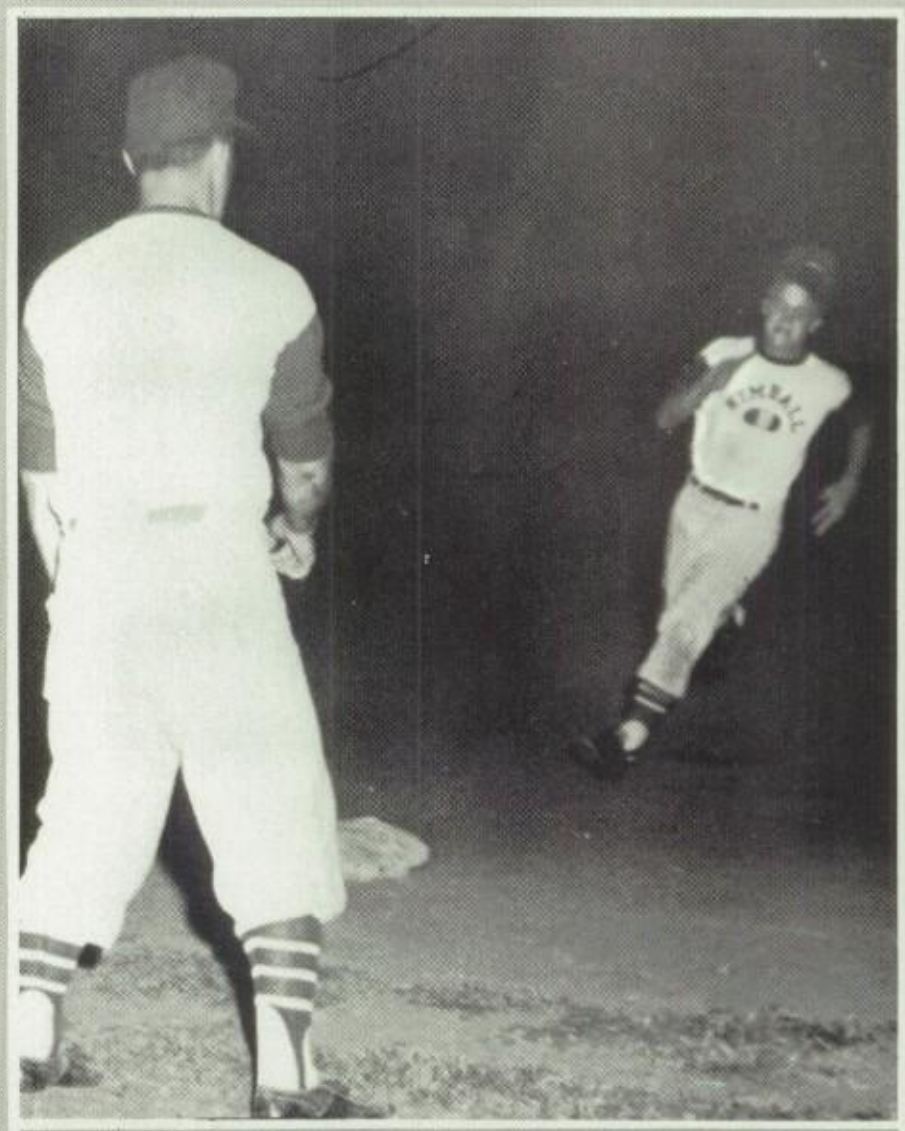
Kimball students enjoyed a wild summer to the strains of "Windy," "Come On Down To My Boat," "Light My Fire," and "The Letter." Country Club dances and the "Sump'n Else" show gave students the opportunity to see friends again. Vacations ranging from a week at home to European tours kept students busy. At the same time, Kimball's American Legion baseball team neared their position as eighth in the state. Dallasites, tan from the summer sun, wore the newest fads, pant dresses, cut-offs, and sandals.

As the summer neared an end, different Kimball organizations, preparing for the Fall Semester, practiced to make perfect. Labor Day Weekend provided the last fling before school began.

Summer Activities

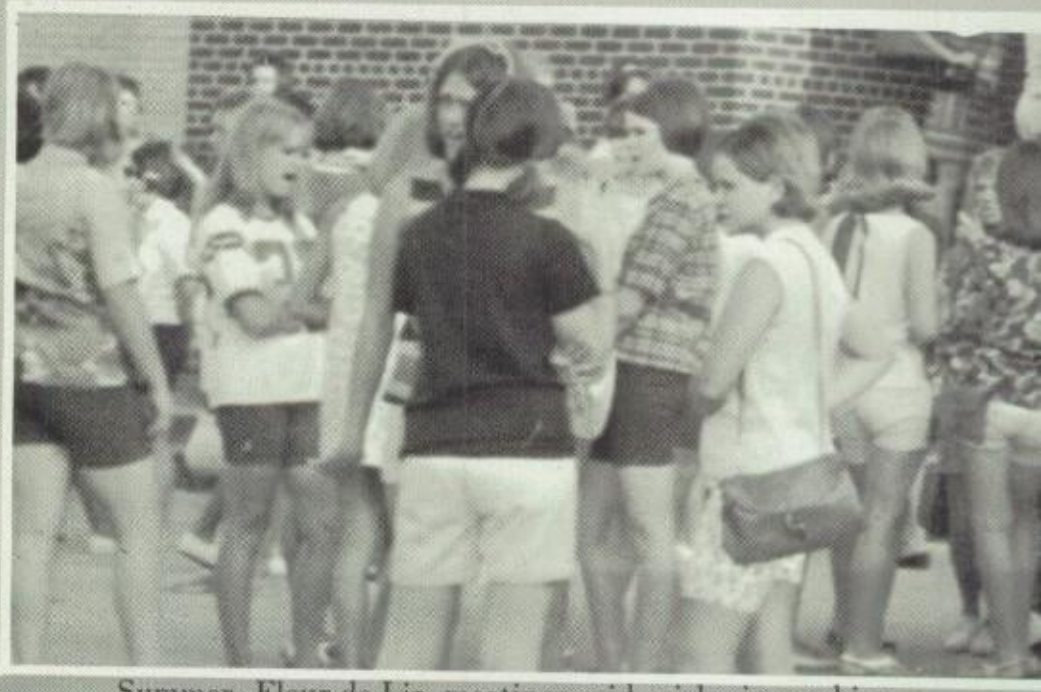
Summer: Those Hot, Fiery Days Will Always Kindle Warm Memories

Summer practice keeps the Troubadears busy for two weeks.

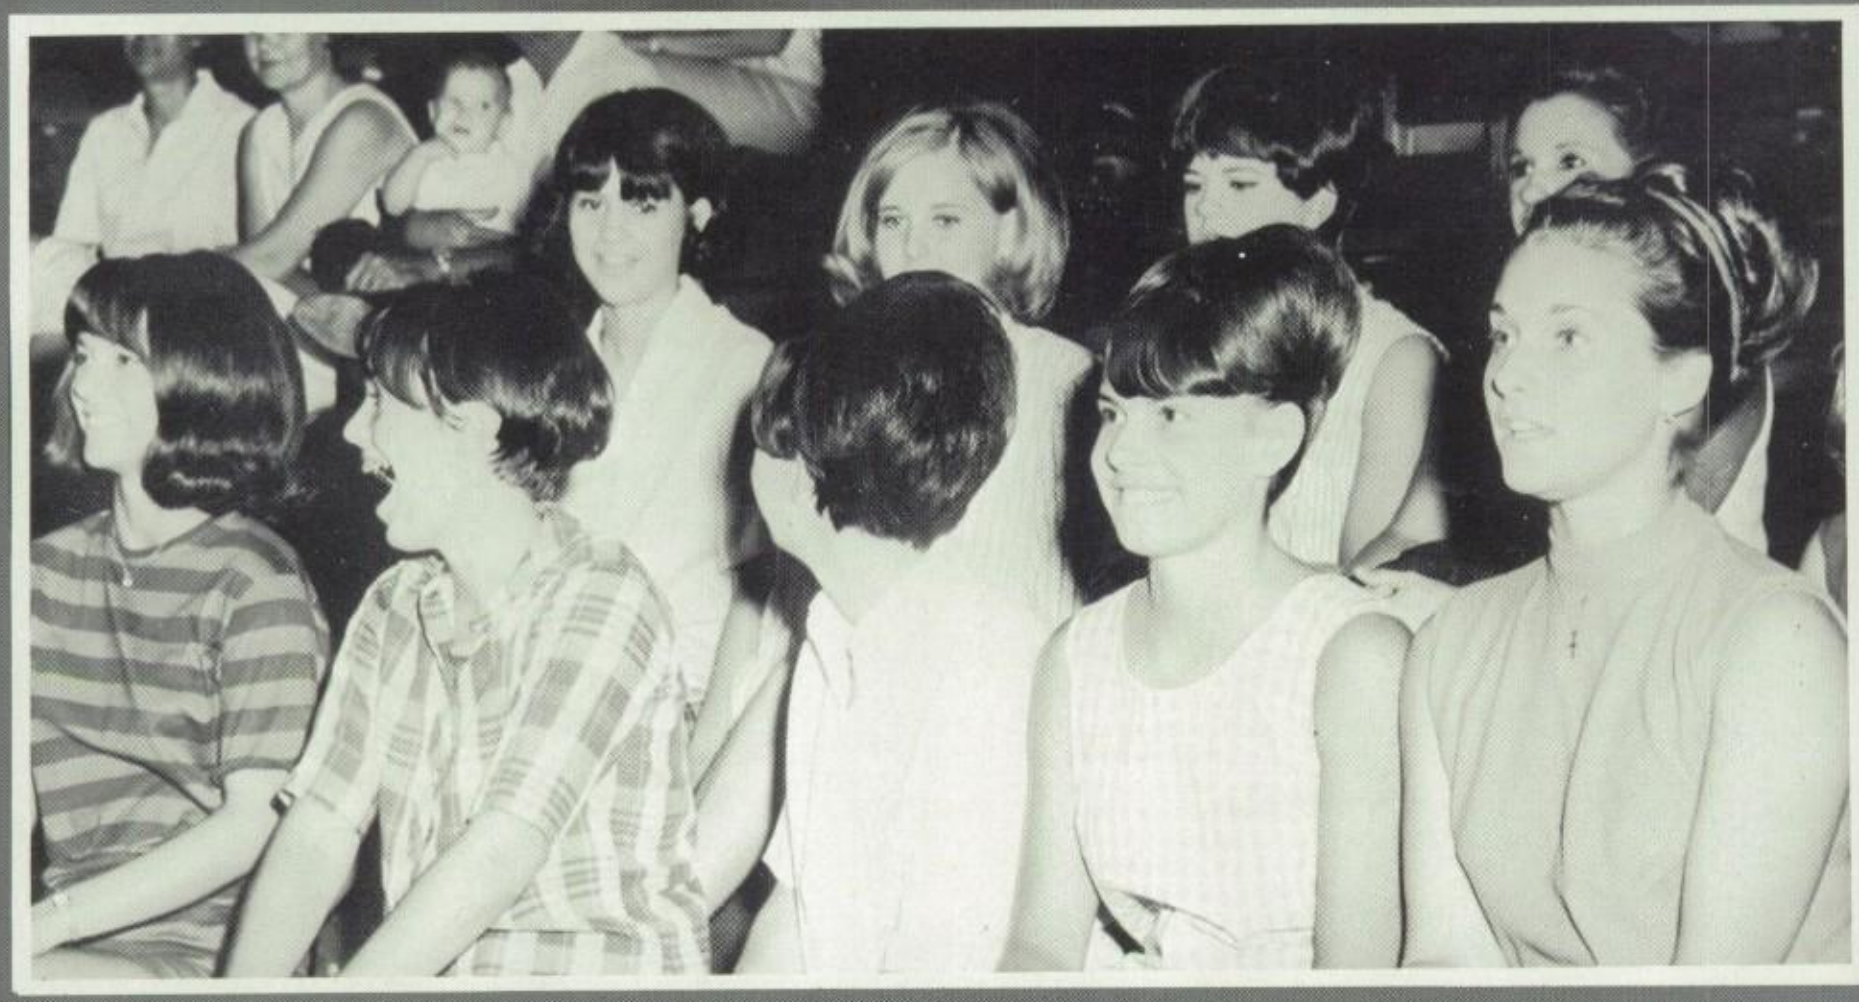


Coach Miller gives Denny Beall encouragement in an American Legion baseball game as Denny approaches third base.

Last summer is now a "long ago" and we are looking forward to this summer. To some the memories of last summer will always remain; the American Legion baseball team, with their successful schedule; the Troubadears, with their hard and hot summer practice; the Fleur-de-Lis, with their success at making new friends; the cheerleaders, with their practice every day and their honors at S.M.U. Cheerleading School; the *Excalibur* Staff, with their hard work during summer sessions; and to all who had fun and new experiences.



Summer Fleur-de-Lis meetings aid girls in making new friends.



Kimball's American Legion Baseball team gets boost from summer supporters.

"Hey Bobby, I think Karol fell in!"

"Hey Ron, I think we see Karol down there!

Pat Byers agrees that there's nothing like a summer shower.

Yes, I'm Donald Duck, and I suppose you are Mickey Mouse and the Muskateers!

ULTRASONICS: THE UNLIMITED CHALLENGE OF PHYSICAL SCIENCE

An impressive range of ultrasonic techniques is changing the face of American and International Industry.

Ultrasonic methods applied to processing and manufacturing are generally faster, more efficient and more economical than conventional methods.

The science of ultrasonic has been expanded to accommodate many sophisticated demands over the entire spectrum of engineering and scientific disciplines.

The number of industrial and professional problems that can be solved effectively by ultrasonics is virtually unlimited.

Indeed, ultrasonic research and development projects continue to produce a gratifying list of solutions to otherwise "unsolvable" problems . . . and, at a remarkably rapid rate.

The re-discovery of this segment of Physics provides a continuing challenge . . . and is certain to capture the imaginations of today's young men and women.

The Sonic Energy Lab, USV-75, is designed to activate the student's curiosity by offering a balanced program of practical laboratory experiments in the major categories of ultrasonic application.

To those students who discover a special personal challenge in the power of sonic energy . . . there are vast opportunities at every level of scientific endeavor.

In Remembrance of a Year Past

Voltaire, the famous Frenchman, once wrote of time that "Nothing is more slow to him that expects, nothing more rapid to him that enjoys." Through our great enjoyment of producing the tenth volume of *Excalibur*, we see how time is indeed rapid. Yet we have also anticipated the final copy, which is at last a realization. It has been a year of many memories, but these memories will live on. They live on through *Excalibur*.

Best wishes to a great friend
(have you ever heard that before)
I have to greatly admire anyone
with the audacity to turn in
a math project like you did.
Best of luck,
Phil Erwin

Phil -
TO a great guy that
spread friendship and
humor wherever he goes. Its
been hectic at K K these past
3 yrs, but no more. Well,
don't do anything that I
wouldn't do. Hang loose in '68

What a stud! You've
got to be one of the wildest,
craziest funniest people around.
Congratulations on a great math
project and surviving through
Calder. I know you miss Leto
and I hope you get to see
her again. Best of luck
in everything you do.

Phil -
I've known you since the 2nd grade at Miller and you're one of the greatest guys I've ever met. Don't change a thing - you're the best of luck to you always.
Best of luck to you always.
Love, Dale Dr. "68"

Phil -
You're a great
Volley ball player
even if we did lose.
Good luck out of school
and may God bless

Phil -
You're insane!
I've known you so long
I'm sick of your face, your young
hoodlum! Keep your great personality
and you'll be a big success in whatever
you do! I'm sure that life is
gonna be real good to you.
I hope you'll always be
a fan of DUST
cause we'll
probably
need
'em!

Be Good Forever!

Phil,

You look like an angel but in fact (well I really don't know) you are just like the rest of us. I wish that we had gotten to know each better besides just laughing at a good joke or suffering the same pain in European History. I hope I see you this summer. Good good luck in all that you do.

Love,
Mary Faye

Phil,

Our past experiences in geometry, trig, gym, Calculus, + the like will warm my heart for years to come. We have really had some happy times together (UNIT CIRCLE (ha)). You're always a blast to be with + have got a cool head on your shoulders. Try to remember to look for the worthwhile things in your life to come but always have fun doing it. Best of success + happiness in all you do and may God bless you always.

Phil,
You're a real good
friend ole & couldn't
have made it through
English without a lot
of help from you. Thanks
alot! Stay like you are
And you'll go places like
to the moon. Be good,
Steve D.

Phil,
To a great guy with
a little guy Personality.
& great Personality will make
it. You will make know
it in the Future. You know
what it takes. Best of Everything

Phil, I'm not sure it's worth ---- I know what I mean?
This year and I don't think I could have made it
Elder (or Menefee) ! (Ha! That's a laugh; it should
through this year without yours ! (Ha! That's a laugh; it should
be the other way around stupid!) I really would have done better
without you! (except for those 2 Menefee tests this year with me -
glad you had to suffer through this year with me -
tennis (stomp), fishing (clumsy), and all the other jocks
we've done -, You'll be able to keep up all the bad habits
at UT, & you'll pick up a few new ones too. (Pot, LSD, booze)
Be sure to write me from Viet Nam in four years!

Phil,
I really don't know
how to thank you for the
help you've given me. (KEEP
IT UP) HA. You a great guy-
you real smart, keep up
the grades. Maybe someday
I can help you Don
